

SUBCOMMITTEE RECOMMENDATION

SB 5510

Department of Consumer and Business Services

To: Ways and Means Full Committee
From: Transportation and Economic Development Subcommittee
Carrier: Representative Leif

SB 5510 is the budget bill for the Department of Consumer and Business Services.

The recommended budget for the agency is \$689,648,449 all funds, which is a 43.6% increase from current service level. The vast majority of the increase is due to the removal and reestablishment of expenditure limitation for the Oregon Reinsurance Program totaling \$210 million in the 2021-23 biennium. This budget also includes increases for the continued work on modernizing DCBS' Workers Compensation Program and Federal Funds backfill for OSHA's inspection and consultation programs.

Discontinued for 2021-23 is \$1.2 million of General Fund for the COFA Islander Premium Assistance program due to beneficiaries now qualifying for Medicaid.

The Transportation and Economic Development Subcommittee recommends SB 5510 be amended by the -1 amendment and be reported out do pass, as amended.
