Summary of Revenue Changes

The Legislative Branch agencies are primarily funded with appropriations from the General Fund; however, some agencies also receive donations, grants, and other miscellaneous revenues. The agencies are supported as described below:

- Legislative Assembly: General Fund supports a majority of the Legislative Assembly budget. The Assembly receives Other Funds revenues from charging customers for the duplication of legislative materials and miscellaneous receipts. The Assembly also receives Other Funds Nonlimited from revenues for the use of the House and Senate lounges by Legislative members during session.
- Legislative Administration: General Fund supports a majority of Legislative Adminstration's budget. The agency also receives Other Funds revenues for rent of office space, parking fees, and other items. Other Funds Nonlimited revenues come from the Capitol Gift Shop and the Property and Surplus Stores account.
- Legislative Counsel: General Fund supports a majority of Legislative Counsel's budget. Other Funds are derived from sales of the Oregon Revised Statutes (ORS), Oregon Laws, bill drafting services, and other Legislative Counsel publications. A small portion of the publication sales income is expended as limited Other Funds and used to defray the agency's General Program expenses related to ORS publication editing. The balance of the publication sales income is expended as Other Funds Nonlimited within the ORS Publications Program.

^{*} Excludes Capital Construction expenditures

- Legislative Fiscal Office: General Fund supports approximately half of the Legislative Fiscal Office's budget. The majority of other revenue is Other Funds derived from a portion of the Central Government Service Charge assessment.
- Legislative Policy and Research Office: The Legislative Policy and Research Office is completely supported by General Fund.
- Legislative Revenue Office: The Legislative Revenue Office is completely supported by General Fund.
- Commission on Indian Services: General Fund supports a majority of the Commission's budget. Other Funds revenue is from registration and other fees from sponsorships used to cover costs associated with special meetings and events.

Summary of General Government Subcommittee Action

House Bill 5016 is the budget bill for the seven legislative agencies: Legislative Assembly, Legislative Administration, Legislative Counsel, Legislative Fiscal Office, Legislative Policy and Research Office, Legislative Revenue Office, and the Commission on Indian Services. While each agency is an independent state agency, their budgets are all included in this appropriation bill. The Subcommittee recommended a Legislative Branch budget of \$201,644,153 and 588 positions (475.44 FTE) for the seven Legislative Branch agencies. The recommended budget represents a 5.9% increase from the 2021-23 current service level budget.

Legislative Administration

Legislative Administration provides general support to the Legislature. Non-partisan services to the public, Legislative members, and government agencies include: administration, information systems, facility services, employee services, financial services, and visitor services. The Subcommittee recommended a total funds budget of \$79,503,253 and 80 positions (76.96 FTE). The total funds budget is a 12.5% decrease from the 2019-21 legislatively approved budget (excluding capital construction) through January 2021. The following is a summary of the budgetary changes:

Administration

<u>Package 801, LFO Analyst Adjustments.</u> This package provides \$2,230,000 for security improvements to the State Capitol Building. Costs are covered through resources available from 2017-19 General Fund reversions that are shifted from Other Services and Supplies. Other Services and Supplies is further decreased by \$6,074,435 for the balance of 2017-19 General Fund reversions that are transferred to support General Fund costs in other budgeted divisions and legislative agencies.

<u>Package 801, LFO Analyst Adjustments.</u> This package provides a total of \$1,493,107 General Fund for the following Information Services investments:

• \$192,276 for an Application Developer position (0.75 FTE) that will support current and new systems, including \$182,420 for personal services costs and \$9,856 for associated services and supplies;

- \$700,831 on a one-time basis for replacement of the Capitol Wi-Fi system to ensure reliable internet coverage;
- \$300,000 on a one-time basis to update the Senate and House Chamber cameras; and
- \$300,000 on a one-time basis for accessibility and ADA accommodation technology and service improvements.

Facility Services

Package 801, LFO Analyst Adjustments. This package increases personal services expenditures by \$46,200 General Fund for the 2021-23 budgetary impact of compensation plan changes that were implemented in January 2021. During the 2019-21 biennium, a classification, pay equity, and compensation study was conducted for legislative agency employees. A new classification and compensation structure was adopted, with employees being placed in updated classification and salary ranges, including adjustments for pay equity.

A decrease of \$207,331 General Fund and one position (1.00 FTE) is also included to transfer a Purchasing and Contracts Specialist to the Financial Services budgeted division.

<u>Package 801, LFO Analyst Adjustments.</u> This package increases General Fund support in Employee Services by \$473,511 for compensation plan changes (\$93,250), employment related Department of Justice costs (\$200,000), and establishment of a Labor Relations position (0.75 FTE), including \$174,905 for personnel services and \$5,356 for associated services and supplies costs.

Financial Services

<u>Package 087, August 2020 Special Session.</u> This package increases General Fund debt service by \$10,937,199 for the 2021-23 budgetary impact of actions approved in the 2020 second special session, including bonds authorized and issued during the 2019-21 biennium.
