SUMMARY

Creates exemption to disclosure of information or records regarding certain youth participating in Oregon Youth Authority programs or treatment.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure exempts from public disclosure records prepared or maintained by the Oregon Youth Authority relating to a person temporarily assigned to a youth correction facility, subject to a balancing test.

If those public records were instead subject to mandatory disclosure under public records law, the public could receive additional information relating to individuals temporarily assigned to a youth correction facility.
