

Open Government Impact Statement

81st Oregon Legislative Assembly
2021 Regular Session

Measure: HB 3197

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 3/1/2021

SUMMARY

Requires marijuana testing laboratory employee to obtain worker permit from Oregon Liquor Control Commission. Defines "premises" for purposes of marijuana testing laboratories. Allows applicant for worker permit who successfully passes permit examination to temporarily perform work for licensee or laboratory prior to receiving worker permit.

Directs Oregon Liquor Control Commission to establish by rule process to register medical marijuana grow sites. Defines "medical marijuana grow site." Allows medical marijuana grow sites to apply for registration no later than June 1, 2022. Establishes plant production limits for medical marijuana grow sites registered by commission. Specifies that marijuana grow sites registered by Oregon Health Authority may produce marijuana for no more than two registry identification cardholders.

Allows authority to specify marijuana item testing batch size up to 50 pounds.

Becomes operative January 1, 2022.

Declares emergency, effective on passage.
