### SUMMARY

Establishes Prescription Drug Affordability Board in Department of Consumer and Business Services to review prices for prescription drug products meeting specified cost criteria. Requires board to establish upper payment limit for drugs that are or are expected to create affordability challenges for health systems and patients in Oregon or health inequities for communities of color. Requires board to establish and assess fees against manufacturers of prescription drug products sold in Oregon for costs of carrying out duties of board.

Establishes Prescription Drug Affordability Stakeholder Council to assist board in carrying out its duties.
