

Open Government Impact Statement

81st Oregon Legislative Assembly
2021 Regular Session

Measure: HB 3284

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 3/1/2021

SUMMARY

Prohibits covered organization from collecting, using or disclosing personal data about resident individual who has not given affirmative express consent for collection, use or disclosure unless in context of employment relationship or to comply with legal obligation. Prohibits covered organization from retaining, storing or using personal health data and requires covered organization to destroy, delete or render inaccessible personal health data not later than specified dates unless personal health data consists of aggregations, statistical analyses, compilations or interpretations and covered organization takes reasonable measures to ensure that personal health data does not and cannot personally identify resident individual.

Requires covered organization to collect, receive or use personal health data only for specified purposes and to provide resident individual with certain disclosures and ability to revoke affirmative express consent for collection, receipt or use of personal health data except in specified circumstances.

Punishes violation of Act as unlawful trade practice.

Sunsets Act 270 days after COVID-19 emergency period, as defined in Act, ends.

Declares emergency, effective on passage.
