Analysis:

HB 2893 establishes the Oregon Disaster Response Assistance Matching Fund. The Office of Emergency Management may provide grants from the fund to local governments to be used to contribute matching funds for federal grants or other federal aid related to disaster response in order to support disaster response efforts.

The bill does not identify a funding source for the fund. If the Oregon Disaster Response Assistance Matching Fund is capitalized, the Oregon Military Department expects it may need one permanent full-time Program Analyst 3 to manage the fund and anticipates this position would be funded through the General Fund.

This measure requires budgetary action for the allocation of General Fund resources and position establishment.
