Measure Description:

Requires city that provides disability or retirement system for firefighters by ordinance or charter that is not subject to workers' compensation law to apply provisions requiring presumption that condition or impairment of health is occupational disease that results from employment if firefighter took physical examination upon gaining or during employment that failed to reveal evidence of occupational disease that existed before employment.

Government Unit(s) Affected:

Oregon Judicial Department (OJD), Public Employees Retirement System (PERS), Department of Consumer and Business Services (DCBS), Cities

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a "Minimal" fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
