Measure Description:

Establishes goal of planning for development of three gigawatts of commercial scale floating offshore wind energy projects within federal waters off Oregon Coast by 2030.

Government Unit(s) Affected:

Department of Land Conservation and Development (DLCD), Oregon Business Development Department (OBDD), Department of Fish and Wildlife (ODFW), Department of Environmental Quality (DEQ), Public Utility Commission (PUC), Department of Energy (DOE)

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
