Measure Description:

Allows a physician assistant to dispense schedule I or II prescription drugs without a supervising physician or physician organization. Allows a physician assistant to delegate dispensing to a staff assistant if the prescription is verified for accuracy and completeness. Requires a physician assistant to maintain records of the dispensed prescription, adhere to labeling requirements. Grants the Oregon Medical Board disciplinary authority over a physician assistant with dispensing authority. Allows a physician assistant to dispense schedule II through IV prescription drugs without a supervising physician or physician organization if registered with the Oregon Medical Board.

Government Unit(s) Affected:

Department of Consumer and Business Services (DCBS), Oregon Board of Medical Imaging (OBMI), Oregon Medical Board (OMB), Oregon Board of Pharmacy (OBOP), Oregon Health Authority (OHA)

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
