Analysis:

<CORRECTED FISCAL IMPACT STATEMENT>

Senate Bill 408 A-engrossed was subsequently referred to the Joint Committee on Ways and Means with a fiscal lite impact statement. After review, the Legislative Fiscal Office determined that the fiscal lite was issued in error and the measure does not have a fiscal impact significant enough to merit a subsequent referral. The measure is expected to have a minimal impact on OHA, ODA, and OLCC. No budgetary action is required.

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a "Minimal" fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
