Measure Description:

Requires an electric company with sales of electricity to 25,000 or more retail customers in Oregon to collect an amount, set to one quarter of one percent (0.25%) of total revenues collected from all retail electricity consumers, to be expended to support and integrate transportation electrification pursuant to a plan approved by the Public Utility Commission.

Government Unit(s) Affected:

Oregon Department of Transportation (ODOT), Department of Revenue (DOR), Department of Environmental Quality (DEQ), Public Utility Commission (PUC)

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a "Minimal" fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
