Summary of Revenue Changes

The Commission on Judicial Fitness and Disability is funded entirely by General Fund. The Joint Committee on Ways and Means Public Safety Subcommittee recommended no revenue changes.

Summary of Public Safety Subcommittee Action

The Commission on Judicial Fitness and Disability is an independent agency within the Judicial Branch of Government charged by statute with investigating and acting upon complaints of judicial misconduct or disability. The basis for a finding of misconduct is a violation of the Oregon Code of Judicial Conduct. The Commission may recommend the Oregon Supreme Court discipline a judge for misconduct and the Supreme Court may censure, suspend, or remove a judge from the bench. The Commission has jurisdiction over the state’s justices of the peace, pro-tem, circuit court and appellate court judges, the tax court judge, and Plan B senior judges. The Commission does not have jurisdiction over municipal court judges, arbitrators, or administrative law judges. The nine-member Commission is comprised of three judges, three lawyers, and three members of the public. The executive director of the Commission is also an attorney in private practice.

A portion of the Commission’s budget is separately appropriated for extraordinary expenses. These expenses arise from investigation and prosecution of an apparent violation of the Code of Judicial Conduct. The costs are unpredictable and if needed, could grow significantly causing a budget imbalance, which may require supplemental funding by the Legislature or Legislative Emergency Board. The separate appropriation provides additional funding specifically to finance these expenses, although the administration appropriation can be used for this purpose as well.

The Public Safety Subcommittee recommended a 2021-23 biennium budget of \$306,164 General Fund and one half-time position (0.50 FTE). This represents a 5.6 percent increase from the 2019-21 Legislatively Approved Budget through January 2021, and is equal to the Current Service Level. The Commission's ordinary operating appropriation totals \$286,091 General Fund and the extraordinary appropriation totals \$20,073 General Fund.
