**BACKGROUND:**

Per the Department of Revenue Property Tax Statistics: Based on property values assessed as of January 1, taxes are levied and become a lien on property on July 1. Tax payments are due on November 15 of the same calendar year. Under the partial payment schedule, the first one-third of taxes is due on November 15, the second one-third on February 15, and the remaining one-third on May 15. If the taxpayer makes the full tax payment by November, a discount of 3 percent is allowed; a 2 percent discount is allowed for a two-thirds payment made by November 15. For late payments, interest accrues at a rate of 1.33 percent per month (16 percent annual rate). If taxes remain unpaid after three years from the beginning of delinquency date, counties then initiate property foreclosure proceedings.
