- Fiscal impact of measure

EFFECT OF AMENDMENT:

-A2 Clarifies that moneys in the Housing for Mental Health Fund are continuously appropriated to the Housing and Community Services Department for the Fund's original purpose until all funds are transferred on June 30, 2022 to the Behavioral Health Housing Incentive Fund.

BACKGROUND:

HB 5030 (2015) established the Housing for Mental Health Fund and authorized the issuance of \$20 million in lottery bond proceeds for HCSD to provide financial assistance to aid in the development, acquisition, renovation or improvement of affordable housing for Oregonians who have mental illnesses or addiction disorders. To date, all of the bond proceeds have been committed to projects and most of the funds have been expended. The estimated account balance by June 2022 is projected to be \$400,000 in uncommitted interest earnings.
