Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 329.451 is amended to read:

329.451. (1)(a) At or before grade 12, a school district or public charter school shall award a high school diploma to a student who completes the requirements established by subsection (2) of this section.

(b) A school district or public charter school shall award a modified diploma to a student who satisfies the requirements established by subsection (7) of this section, an extended diploma to a student who satisfies the requirements established by subsection (8) of this section or an alternative certificate to a student who satisfies the requirements established by subsection (9) of this section.

(c) A school district or public charter school may not deny a student who has the documented history described in subsection (7)(b) or (8)(b) of this section the opportunity to pursue a diploma with more stringent requirements than a modified diploma or an extended diploma for the sole reason that the student has the documented history.

(d) A school district or public charter school may award a modified diploma or extended diploma to a student only upon receiving consent as provided by subsection (6) of this section.

(2)(a) In order to receive a high school diploma from a school district or public charter school, a student must satisfy the requirements established by the State Board of Education and the school district or public charter school and, while in grades 9 through 12, must complete at least:

(A) Twenty-four total credits;

(B) Three credits of mathematics; and

(C) Four credits of [English] language arts.

(b) If a school district or public charter school requires a student to complete more than 24 total credits, as provided by paragraph (a)(A) of this subsection, the school district or public charter school may only require the student to complete additional credits for:

(A) Subjects for which the State Board of Education has established academic content standards under ORS 329.045;

(B) Courses provided as part of a career and technical education program; or

(C) Courses that provide, or qualify to provide, credit at post-secondary institutions of education.

(c)(A) A school district or public charter school that requires students to satisfy any requirements not specified by paragraph (a) of this subsection or by rule of the State Board of Education...
must grant to a student a waiver of the requirements established by the school district or public charter school if the student is or, at any time from grade 9 to 12, was:

(i) A foster child, as defined in ORS 30.297;
(ii) Homeless, as determined under rules adopted by the State Board of Education based on standards adopted by the Department of Human Services;
(iii) A runaway, as determined under rules adopted by the State Board of Education based on standards adopted by the Department of Human Services;
(iv) A child in a military family covered by the Interstate Compact on Educational Opportunity for Military Children, as determined under rules adopted by the State Board of Education;
(v) A child of a migrant worker, as determined under rules adopted by the State Board of Education; or
(vi) Enrolled in the Youth Corrections Education Program or the Juvenile Detention Education Program.

(B) For any student identified under subparagraph (A) of this paragraph, a school district or public charter school must accept any credits earned by the student in another school district or public charter school and apply those credits toward requirements specified by paragraph (a) of this subsection or by rule of the State Board of Education if the credits satisfied those requirements in that other school district or public charter school.

(3) A student providing work samples to demonstrate proficiency in Essential Learning Skills as may be required under subsection (2) of this section must be allowed to use accommodations described in the student's individualized education program or the student's plan developed in accordance with section 504 of the Rehabilitation Act of 1978, 29 U.S.C. 794. As used in this subsection, the term “accommodations”:

(a) Includes, but is not limited to:
   (A) Additional time to demonstrate proficiency.
   (B) The ability to demonstrate proficiency in an alternative location that is secure and proctored.
   (C) The use of text-to-speech or speech-to-text technology or other assistive technology.
   (b) Does not include modifications that lower the proficiency standards or that are used solely to earn modified credit.

(4) A student may satisfy the requirements of subsection (2) of this section in less than four years. If a student satisfies the requirements of subsection (2) of this section and a school district or public charter school has received consent as provided by subsection (6) of this section, the school district or public charter school shall award a high school diploma to the student.

(5) If a school district or public charter school has received consent as provided by subsection (6) of this section, the school district or public charter school may advance the student to the next grade level if the student has satisfied the requirements for the student’s current grade level.

(6)(a) For the purpose of receiving consent as provided by subsections (1)(d), (4) and (5) of this section, consent shall be provided by:
   (A) The parent or guardian of the student, if the student:
      (i) Is under 18 years of age and is not emancipated pursuant to ORS 419B.550 to 419B.558; or
      (ii) Has been determined not to have the ability to give informed consent regarding the student’s education pursuant to a protective proceeding under ORS chapter 125; or
   (B) The student, if the student is 18 years of age or older or is emancipated pursuant to ORS 419B.550 to 419B.558.

(b) For the purpose of awarding a modified diploma or extended diploma as provided by subsection (1)(d) of this section or of awarding a high school diploma as provided by subsection (4) of this section, consent must be received during the school year for which the diploma will be awarded.

(7) A school district or public charter school shall award a modified diploma only to students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma with reasonable modifications and accommodations. To be eligible for a modified diploma, a student must:

Enrolled House Bill 2056 (HB 2056-A)
(a) Satisfy the requirements for a modified diploma established by the State Board of Education; and

(b) Have a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers or have a documented history of a medical condition that creates a barrier to achievement.

(8) A school district or public charter school shall award an extended diploma only to students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma with reasonable modifications and accommodations. To be eligible for an extended diploma, a student must:

(a) While in grade nine through completion of high school, complete 12 credits, which may not include more than six credits earned in a self-contained special education classroom and shall include:

(A) Two credits of mathematics;
(B) Two credits of English language arts;
(C) Two credits of science;
(D) Three credits of history, geography, economics or civics;
(E) One credit of health;
(F) One credit of physical education; and
(G) One credit of the arts or a world language; and

(b) Have a documented history of:

(A) An inability to maintain grade level achievement due to significant learning and instructional barriers;

(B) A medical condition that creates a barrier to achievement; or

(C) A change in the student’s ability to participate in grade level activities as a result of a serious illness or injury that occurred after grade eight.

(9) A school district or public charter school shall award an alternative certificate to a student who does not satisfy the requirements for a high school diploma, a modified diploma or an extended diploma if the student meets requirements established by the board of the school district or public charter school.

(10) A student shall have the opportunity to satisfy the requirements of subsection (7), (8) or (9) of this section by the later of:

(a) Four years after starting grade nine; or

(b) The student reaching the age of 21 years, if the student is entitled to a public education until the age of 21 years under state or federal law.

(11)(a) A student may satisfy the requirements described in subsection (7), (8) or (9) of this section in less than four years if consent is provided in the manner described in subsection (6)(a) of this section.

(b) The consent provided under this subsection must be written and must clearly state that the parent, guardian or student is waiving the time allowed under subsection (10) of this section. A consent may not be used to allow a student to satisfy the requirements of subsection (7), (8) or (9) of this section in less than three years.

(c) A copy of all consents provided under this subsection for students in a school district must be forwarded to the district superintendent.

(d) Each school district must provide to the Superintendent of Public Instruction information about the number of consents provided during a school year.

(12)(a) A student who qualifies to receive or receives a modified diploma, an extended diploma or an alternative certificate shall:

(A) Have the option of participating in a high school graduation ceremony with the class of the student; and

(B) Have access to instructional hours, hours of transition services and hours of other services that are designed to:

(i) Meet the unique needs of the student; and
(ii) When added together, provide a total number of hours of instruction and services to the student that equals at least the total number of instructional hours that is required to be provided to students who are attending a public high school.

(b)(A) The number of instructional hours, hours of transition services and hours of other services that are appropriate for a student shall be determined by the student’s individualized education program team. Based on the student’s needs and performance level, the student’s individualized education program team may decide that the student will not access the total number of hours of instruction and services to which the student has access under paragraph (a)(B) of this subsection.

(B) A school district may not unilaterally decrease the total number of hours of instruction and services to which the student has access under paragraph (a)(B) of this subsection, regardless of the age of the student.

(c) If a student’s individualized education program team decides that the student will not access the total number of hours of instruction and services to which the student has access under paragraph (a)(B) of this subsection, the school district shall annually:

(A) Provide the following information in writing to the parent or guardian of the student:

(i) The school district’s duty to comply with the requirements of paragraph (a)(B) of this subsection; and

(ii) The prohibition against a school district’s unilaterally decreasing the total number of hours of instruction and services to which the student has access.

(B) Obtain a signed acknowledgment from the parent or guardian of the student that the parent or guardian received the information described in subparagraph (A) of this paragraph.

(C) Include in the individualized education program for the student a written statement that explains the reasons the student is not accessing the total number of hours of instruction and services to which the student has access under paragraph (a)(B) of this subsection.

(d) For purposes of paragraph (a)(B) of this subsection, transition services and other services designed to meet the unique needs of the student may be provided to the student through an interagency agreement entered into by the school district if the individualized education program developed for the student indicates that the services may be provided by another agency. A school district that enters into an interagency agreement as allowed under this paragraph retains the responsibility for ensuring that the student has access to the number of service hours required to be provided to the student under this subsection. An agency is not required to change any eligibility criteria or enrollment standards prior to entering into an interagency agreement as provided by this paragraph.

(13) A school district or public charter school shall:

(a) Ensure that students have on-site access to the appropriate resources to achieve a high school diploma, a modified diploma, an extended diploma or an alternative certificate at each high school in the school district or at the public charter school.

(b) Provide literacy instruction to all students until graduation.

(c) Annually provide, to the parents or guardians of a student who has the documented history described in subsection (8)(b) of this section, information about the availability of a modified diploma, an extended diploma and an alternative certificate and the requirements for the diplomas and certificate:

(A) Beginning in grade five; or

(B) Beginning after a documented history described in subsection (8)(b) of this section has been established.

(14) A school district or public charter school shall allow a student to participate in the high school graduation ceremony with the class of the student and to wear a dress uniform issued to the student by a branch of the Armed Forces of the United States if the student:

(a) Qualifies to receive a high school diploma, a modified diploma, an extended diploma or an alternative certificate under this section; and

(b) Has completed basic training for, and is an active member of, a branch of the Armed Forces of the United States.
SECTION 2. ORS 329.007 is amended to read:

329.007. As used in this chapter, unless the context requires otherwise:

(14) “The arts” includes, but is not limited to, literary arts, performing arts and visual arts.

(15) “World languages” includes sign language, heritage languages and languages other than a student’s primary language.
Provides opportunities for students to learn through a variety of teaching strategies;
(15) Emphasizes involvement of parents and the community in the total education of students;
(16) Transports children safely to and from school;
(17) Ensures that the funds allocated to schools reflect the uncontrollable differences in costs facing each district;
(18) Ensures that local schools have adequate control of how funds are spent to best meet the needs of students in their communities; and
(19) Provides for a safe, educational environment.

SECTION 5. ORS 329.045 is amended to read:

329.045. (1)(a) In order to achieve the goals contained in ORS 329.025, the State Board of Education shall regularly and periodically review and revise its Common Curriculum Goals, performance indicators and diploma requirements.

(b) The review and revision conducted under this section shall:

(A) Include Essential Learning Skills and rigorous academic content standards in mathematics, science, [+language arts], history, geography, economics, civics, physical education, health, the arts and world languages.

(B) Involve teachers and other educators, parents of students and other citizens and shall provide ample opportunity for public comment.

(C) Encourage increased learning time. As used in this subparagraph, “increased learning time” means a schedule that encompasses a longer school day, week or year for the purpose of increasing the total number of school hours available to provide:

(i) Students with instruction in core academic subjects, including mathematics, science, [+language arts], history, geography, economics, civics, the arts and world languages;

(ii) Students with instruction in subjects other than the subjects identified in sub-subparagraph (i) of this subparagraph, including health and physical education;

(iii) Students with the opportunity to participate in enrichment activities that contribute to a well-rounded education, including learning opportunities that may be based on service, experience or work and that may be provided through partnerships with other organizations; and

(iv) Teachers with the opportunity to collaborate, plan and engage in professional development within and across grades and subjects.

(c) Nothing in this subsection prevents a school district or public charter school from maintaining control over course content, format, materials and teaching methods.

2 The State Board of Education shall continually review and revise all adopted academic content standards necessary for students to successfully transition to the next phase of their education.

3(a) School districts and public charter schools must offer students instruction in mathematics, science, [+language arts], history, geography, economics, civics, physical education, health, the arts and world languages.

(b) Instruction required under paragraph (a) of this subsection must:

(A) Meet the academic content standards adopted by the State Board of Education; and

(B) Meet the requirements adopted by the State Board of Education and the board of the school district or public charter school.

4 School districts and public charter schools are encouraged to offer students courses or other educational opportunities in civics and financial literacy to allow every student who wants to receive instruction in civics and financial literacy to be able to receive the instruction.

SECTION 6. ORS 329.045, as amended by section 1, chapter 202, Oregon Laws 2019, is amended to read:

329.045. (1)(a) In order to achieve the goals contained in ORS 329.025, the State Board of Education shall regularly and periodically review and revise its Common Curriculum Goals, performance indicators and diploma requirements.

(b) The review and revision conducted under this section shall:
(A) Include Essential Learning Skills and rigorous academic content standards in mathematics, science, [English] language arts, history, geography, economics, civics, physical education, health, the arts and world languages.

(B) Ensure that the academic content standards for history, geography, economics and civics include sufficient instruction on the histories, contributions and perspectives of individuals who:
   (i) Are Native American;
   (ii) Are of African, Asian, Pacific Island, Chicano, Latino or Middle Eastern descent;
   (iii) Are women;
   (iv) Have disabilities;
   (v) Are immigrants or refugees; or
   (vi) Are lesbian, gay, bisexual or transgender.

(C) Involve teachers and other educators, parents of students and other citizens and shall provide ample opportunity for public comment.

(D) Encourage increased learning time. As used in this subparagraph, “increased learning time” means a schedule that encompasses a longer school day, week or year for the purpose of increasing the total number of school hours available to provide:
   (i) Students with instruction in core academic subjects, including mathematics, science, [English] language arts, history, geography, economics, civics, the arts and world languages;
   (ii) Students with instruction in subjects other than the subjects identified in sub-subparagraph (i) of this subparagraph, including health and physical education;
   (iii) Students with the opportunity to participate in enrichment activities that contribute to a well-rounded education, including learning opportunities that may be based on service, experience or work and that may be provided through partnerships with other organizations; and
   (iv) Teachers with the opportunity to collaborate, plan and engage in professional development within and across grades and subjects.

(c) Nothing in this subsection prevents a school district or public charter school from maintaining control over course content, format, materials and teaching methods.

(2) The State Board of Education shall continually review and revise all adopted academic content standards necessary for students to successfully transition to the next phase of their education.

(3)(a) School districts and public charter schools must offer students instruction in mathematics, science, [English] language arts, history, geography, economics, civics, physical education, health, the arts and world languages.

(b) Instruction required under paragraph (a) of this subsection must:
   (A) Meet the academic content standards adopted by the State Board of Education; and
   (B) Meet the requirements adopted by the State Board of Education and the board of the school district or public charter school.

(4) School districts and public charter schools are encouraged to offer students courses or other educational opportunities in civics and financial literacy to allow every student who wants to receive instruction in civics and financial literacy to be able to receive the instruction.

SECTION 7. ORS 329.485 is amended to read:

329.485. (1) As used in this section:
   (a) “Content-based assessment” means testing of the understanding of a student of a predetermined body of knowledge.
   (b) “Criterion-referenced assessment” means testing of the knowledge or ability of a student with respect to some standard.
   (c) “Performance-based assessment” means testing of the ability of a student to use knowledge and skills to create a complex or multifaceted product or complete a complex task.

(2)(a) The Department of Education shall implement statewide a valid and reliable assessment system for all students that meets technical adequacy standards. The assessment system shall include criterion-referenced assessments including performance-based assessments, content-based as-
cessments, and other valid methods to measure the academic content standards and to identify students who meet or exceed the standards.

(b) The department shall develop the statewide assessment system in mathematics, science, [English] language arts, history, geography, economics and civics.

(3) In addition to the assessment system implemented under subsection (2) of this section, the department may make available to school districts and public charter schools an assessment system that uses criterion-referenced assessments, including performance-based assessments and content-based assessments to:

(a) Measure a student’s progress toward mastery of the knowledge and skills of the student’s current grade level or course content level;

(b) Determine the student’s level of mastery, which shall be determined regardless of the actual grade level of the student and may be determined by adapting the assessment during the assessment process as a result of the performance of the student;

(c) Track and provide reports on the progress of a student based on the information provided under paragraphs (a) and (b) of this subsection; and

(d) Provide predictions of anticipated student progress that are based on the information provided under this subsection and not on the current grade level of the student.

(4)(a) School districts and public charter schools shall implement the statewide assessment system in mathematics, science and [English] language arts. In addition, school districts and public charter schools may implement the statewide assessment system in history, geography, economics and civics.

(b) School districts and public charter schools may choose to implement the assessment system described in subsection (3) of this section.

(5)(a) Each year the resident school district shall be accountable for determining the student’s progress toward achieving the academic content standards. Progress toward the academic content standards:

(A) Shall clearly show the student and parents whether the student is making progress toward meeting or exceeding the academic content standards at the student’s current grade level or course content level;

(B) Shall be based on the student’s progress toward mastery of a continuum of academic knowledge and skills; and

(C) May be based on the student’s progress in a continuum of knowledge and skills that are not academic and that may include student behaviors that are defined by the school district.

(b) School districts shall determine the method and format for showing student progress toward achieving the academic content standards. Communications on student progress shall include a reasonable number, as determined by the school district, of academic knowledge and skills in a content area to enable parents and students to understand a student’s progress toward meeting or exceeding the academic content standards. No more than three indicators of academic knowledge and skills per content area reporting category shall be required as provided by this section. A school district may use more than three indicators of academic knowledge and skills per content area reporting category if the school district implements a proficiency education system as provided by ORS 329.119.

(6) In addition to the requirements described in subsection (5) of this section, the school district shall adopt and implement a reporting system based on the school district board adopted course content of the school district’s curriculum. The reporting system:

(a) Shall clearly show the student and parents whether the student is achieving course requirements at the student’s current grade level or course content level;

(b) Shall be based on the student’s progress toward mastery of a continuum of academic knowledge and skills; and

(c) May be based on the student’s progress in a continuum of knowledge and skills that are not academic and that may include student behaviors that are defined by the school district.
(7) If a student has not met or has exceeded all of the academic content standards, the school district shall make additional services or alternative educational or public school options available to the student.

(8) If the student to whom additional services or alternative educational options have been made available does not meet or exceed the academic content standards within one year, the school district, with the consent of the parents, shall make an appropriate placement, which may include an alternative education program or the transfer of the student to another public school in the school district or to a public school in another school district that agrees to accept the student. The school district that receives the student shall be entitled to payment. The payment shall consist of:

(a) An amount equal to the school district's expenses from its local revenues for each student in average daily membership, payable by the resident school district in the same year; and

(b) Any state and federal funds the attending school district is entitled to receive payable as provided in ORS 339.133 (2)(b).

SECTION 8. ORS 336.477 is amended to read:

336.477. (1) For the purposes of this section:

(a) “School-sponsored media” means materials that are prepared, substantially written, published or broadcast by student journalists, that are distributed or generally made available, either free of charge or for a fee, to members of the student body and that are prepared under the direction of a student media adviser. “School-sponsored media” does not include media intended for distribution or transmission solely in the classrooms in which they are produced.

(b) “Student journalist” means a public high school student who gathers, compiles, writes, edits, photographs, records or prepares information for dissemination in school-sponsored media.

(c) “Student media adviser” means a person who is employed, appointed or designated by the school district to supervise, or provide instruction relating to, school-sponsored media.

(2) Except as provided in subsection (4) of this section, student journalists have the right to exercise freedom of speech and of the press in school-sponsored media, whether or not the media are supported financially by the school or by use of school facilities or are produced in conjunction with a high school class.

(3) Student journalists are responsible for determining the news, opinion and feature content of school-sponsored media subject to the limitations of subsection (4) of this section. This subsection does not prevent a student media adviser from teaching professional standards of English and journalism to the student journalists.

(4) Nothing in this section may be interpreted to authorize expression by students that:

(a) Is libelous or slanderous;

(b) Constitutes an unwarranted invasion of privacy;

(c) Violates federal or state statutes, rules or regulations or state common law; or

(d) So incites students as to create a clear and present danger of:

(A) The commission of unlawful acts on or off school premises;

(B) The violation of school policies; or

(C) The material and substantial disruption of the orderly operation of the school. A school official must base a forecast of material and substantial disruption on specific facts, including past experience in the school and current events influencing student behavior, and not on undifferentiated fear or apprehension.

(5) Any student, individually or through the student's parent or guardian, enrolled in a public high school may commence a civil action to obtain damages under this subsection and appropriate injunctive or declaratory relief as determined by a court for a violation of subsection (2) of this section, the First Amendment to the United States Constitution or Article I, section 8, [Article I] of the Oregon Constitution. Upon a motion, a court may award $100 in damages and injunctive and declaratory relief to a prevailing plaintiff in a civil action brought under this subsection.

(6) Each school district that includes a public high school shall adopt a written student freedom of expression policy in accordance with this section. The policy shall include reasonable provisions for the time, place and manner of student expression.
SECTION 9. ORS 338.115 is amended to read:

338.115. (1) Statutes and rules that apply only to school district boards, school districts or other public schools do not apply to public charter schools. However, the following laws do apply to public charter schools:
   (a) Federal law;
   (b) ORS 30.260 to 30.300 (tort claims);
   (c) ORS 192.311 to 192.478 (public records law);
   (d) ORS 192.610 to 192.690 (public meetings law);
   (e) ORS chapters 279A, 279B and 279C (Public Contracting Code);
   (f) ORS 297.405 to 297.555 and 297.990 (Municipal Audit Law);
   (g) ORS 326.565, 326.575 and 326.580 (student records);
   (h) ORS 181A.195, 326.603, 326.607 and 342.223 (criminal records checks);
   (i) ORS 329.045 (academic content standards and instruction);
   (j) ORS 329.451 (high school diploma, modified diploma, extended diploma and alternative certificate);
   (k) ORS 329.496 (physical education);
   (L) The statewide assessment system developed by the Department of Education for mathematics, science and [English] language arts under ORS 329.485 (2);
   (m) ORS 336.840 (use of personal electronic devices);
   (n) ORS 337.150 (textbooks);
   (o) ORS 339.119 (consideration for educational services);
   (p) ORS 339.141, 339.147 and 339.155 (tuition and fees);
   (q) ORS 339.250 (9) (prohibition on infliction of corporal punishment);
   (r) ORS 339.326 (notice concerning students subject to juvenile court petitions);
   (s) ORS 339.370 to 339.400 (reporting of suspected abuse and suspected sexual conduct);
   (t) ORS 342.856 (core teaching standards);
   (u) ORS chapter 657 (Employment Department Law);
   (v) ORS 659.850, 659.855 and 659.860 (discrimination);
   (w) Any statute or rule that establishes requirements for instructional time provided by a school during each day or during a year;
   (x) Statutes and rules that expressly apply to public charter schools;
   (y) Statutes and rules that apply to a special government body, as defined in ORS 174.117, or a public body, as defined in ORS 174.109;
   (z) Health and safety statutes and rules;
   (aa) Any statute or rule that is listed in the charter; and
   (bb) This chapter.

(2) Notwithstanding subsection (1) of this section, a charter may specify that statutes and rules that apply only to school district boards, school districts and other public schools may apply to a public charter school.

(3) If a statute or rule applies to a public charter school, then the terms “school district” and “public school” include public charter school as those terms are used in that statute or rule.

(4) A public charter school may not violate the Establishment Clause of the First Amendment to the United States Constitution or Article I, section 5, [Article I] of the Oregon Constitution, or be religion based.

(5)(a) A public charter school shall maintain an active enrollment of at least 25 students.

(b) For a public charter school that provides educational services under a cooperative agreement described in ORS 338.080, the public charter school is in compliance with the requirements of this subsection if the public charter school provides educational services under the cooperative agreement to at least 25 students, without regard to the school districts in which the students are residents.

(6) A public charter school may sue or be sued as a separate legal entity.
(7) The sponsor, members of the governing board of the sponsor acting in their official capacities and employees of a sponsor acting in their official capacities are immune from civil liability with respect to all activities related to a public charter school within the scope of their duties or employment.

(8) A public charter school may enter into contracts and may lease facilities and services from a school district, education service district, public university listed in ORS 352.002, other governmental unit or any person or legal entity.

(9) A public charter school may not levy taxes or issue bonds under which the public incurs liability.

(10) A public charter school may receive and accept gifts, grants and donations from any source for expenditure to carry out the lawful functions of the school.

(11) The school district in which the public charter school is located shall offer a high school diploma, a modified diploma, an extended diploma or an alternative certificate to any public charter school student who meets the district's and state's standards for a high school diploma, a modified diploma, an extended diploma or an alternative certificate.

(12) A high school diploma, a modified diploma, an extended diploma or an alternative certificate issued by a public charter school grants to the holder the same rights and privileges as a high school diploma, a modified diploma, an extended diploma or an alternative certificate issued by a nonchartered public school.

(13) Prior to beginning operation, the public charter school shall show proof of insurance to the sponsor as specified in the charter.

(14) A public charter school may receive services from an education service district in the same manner as a nonchartered public school in the school district in which the public charter school is located.

**SECTION 10.** ORS 340.300 is amended to read:

340.300. (1) As used in this section, “accelerated college credit programs” includes dual credit programs, two-plus-two programs, advanced placement programs and International Baccalaureate programs.

(2) Each school district shall:

(a) Provide students in grades 9 through 12 with accelerated college credit programs including, but not limited to, accelerated college credit programs related to [English] language arts, mathematics and science; or

(b) Ensure that students in grades 9 through 12 have online access to accelerated college credit programs including, but not limited to, accelerated college credit programs related to [English] language arts, mathematics and science.

**SECTION 11.** ORS 350.260 is amended to read:

350.260. (1) For the purposes of this section:

(a) “Public institution of higher education” means:

(A) A community college;

(B) A public university listed in ORS 352.002; and

(C) The Oregon Health and Science University.

(b) “School-sponsored media” means materials that are prepared, substantially written, published or broadcast by student journalists, that are distributed or generally made available, either free of charge or for a fee, to members of the student body and that are prepared under the direction of a student media adviser. “School-sponsored media” does not include media intended for distribution or transmission solely in the classrooms in which they are produced.

(c) “Student journalist” means a student who gathers, compiles, writes, edits, photographs, records or prepares information for dissemination in school-sponsored media.

(d) “Student media adviser” means a person who is employed, appointed or designated by a public institution of higher education to supervise, or provide instruction relating to, school-sponsored media.
(2) Student journalists are responsible for determining the news, opinion, feature and advertising content of school-sponsored media. This subsection does not prevent a student media adviser from teaching professional standards of [English and] journalism to the student journalists.

(3) Nothing in this section may be interpreted to authorize expression by students that:
(a) Is libelous or slanderous;
(b) Constitutes an unwarranted invasion of privacy;
(c) Violates federal or state statutes, rules or regulations or state common law; or
(d) So incites students as to create a clear and present danger of:
(A) The commission of unlawful acts on or off school premises;
(B) The violation of school policies; or
(C) The material and substantial disruption of the orderly operation of the school. A school official must base a forecast of material and substantial disruption on specific facts, including past experience in the school and current events influencing student behavior, and not on undifferentiated fear or apprehension.

(4) Any student enrolled in a public institution of higher education may commence a civil action to obtain damages under this subsection and appropriate injunctive or declaratory relief as determined by a court for a violation of subsection (2) of this section, the First Amendment to the United States Constitution or Article I, section 8, [Article I] of the Oregon Constitution. Upon a motion, a court may award $100 in damages and injunctive and declaratory relief to a prevailing plaintiff in a civil action brought under this subsection.

SECTION 12. ORS 336.074 is repealed.
