19 **CONFORMING PROVISIONS**

20
21 **SECTION 5.** ORS 456.395 is amended to read:

22 456.395. The Housing and Community Services Department and the Oregon Housing Stability
23 Council shall cooperate with and assist [*local*] housing authorities [*as defined in ORS 456.375*] to
24 obtain federal approval, renewal of an existing waiver of federal requirements or a new waiver of
25 federal requirements, as necessary to make the use and distribution of federal rent subsidy and as-
26 sistance payments under 42 U.S.C. 1437f as efficient and beneficial as possible to increase the supply
27 of decent, safe, sanitary and affordable housing for persons of low income and very low income in
28 this state.

29 **SECTION 6.** ORS 456.500 is amended to read:

30 456.500. (1) The Legislative Assembly finds that:

31 (a) There is a significant number of rental properties in this state whose owners have obtained
32 rural rental housing loans from Rural Development or the Farm Service Agency of the United States
33 Department of Agriculture under 7 C.F.R. 3560. Many of these rental properties contain rental units
34 in which very low, low and moderate income families, elderly persons and persons with disabilities
35 live and receive federal rental assistance.

36 (b) Beginning in 2015, many of the mortgage loans made to the owners of these rental properties
37 will mature and federal rental assistance to tenants residing on the premises of these rental prop-
38 erties will no longer be available.

39 (c) Currently, there is no legal mechanism in place requiring the owners of these rental prop-
40 erties to provide notice of loan maturity to tenants, the Housing and Community Services Depart-
41 ment, housing authorities as defined in ORS 456.005 and local governments.

42 (d) Requiring notice at least one year before maturity of a loan described in paragraph (a) of this
43 subsection would provide:

44 (A) Tenants with time to locate alternative housing and rental assistance; and

45 (B) The Housing and Community Services Department, housing authorities and local govern-

1 ments with time to work with Rural Development or the Farm Service Agency of the United States
2 Department of Agriculture to develop arrangements that will protect the housing status of existing
3 tenants.

4 (2) The owner of any rental property that has received a rural rental housing loan from Rural
5 Development or the Farm Service Agency of the United States Department of Agriculture under 7
6 C.F.R. 3560 shall provide written notice by first class mail with postage prepaid and by posting in
7 a common area on the rental property notice of all of the following:

8 (a) The date upon which the loan matures;

9 (b) That federal rental assistance will no longer be available after the date of loan maturity with
10 respect to the rental property that includes the premises on which the tenants reside; and

11 (c) That there may be other program use restrictions and rent controls that expire after the date
12 of loan maturity.

13 (3) The notice required by subsection (2) of this section must be mailed to:

14 (a) Any tenant residing on the premises of the rental property that is the subject of the loan,
15 mailed to the street address of the premises on which the tenant resides, on or after the date that
16 is one year before the date of loan maturity;

17 (b) The Director of the Housing and Community Services Department;

18 (c) The [local] housing authority [as defined in ORS 456.375] that is located in the county or area
19 of operation in which the rental property is located; and

20 (d) The mayor, planning department or person or entity with a similar function in the local
21 government in the area in which the rental property is located.

22 (4)(a) Failure to provide the notice required by this section entitles a tenant residing on the
23 premises of the rental property on the date that is at least one year in advance of the date of loan
24 maturity to continue residing on the premises of the rental property without any increase in the
25 tenant's portion of the rent charged for up to one year after the date of loan maturity, or one year
26 after termination of the tenant's federal rental assistance, program use restrictions or rent controls,
27 whichever date is later.

28 (b) Providing notice less than one year before the date of loan maturity entitles a tenant resid-
29 ing on the premises of the rental property on the date that is at least one year before the date of
30 loan maturity to continue residing on the premises of the rental property without any increase in
31 the tenant's portion of the rent charged for a period of time that equals the number of days that the
32 notice was late.

33 (c) If the tenant begins residency at a time that is less than one year before the date of loan
34 maturity, the tenant must receive the notice required by this section prior to entering into a rental
35 agreement. Failure to provide the notice required by this paragraph entitles the tenant to continue
36 residing on the premises of the rental property without any increase in the tenant's portion of the
37 rent charged for up to one year after the date of loan maturity, or one year after termination of the
38 tenant's federal rental assistance, program use restrictions or rent controls, whichever date is later.

39 (5) The provisions of subsection (4) of this section are not intended to contravene the owner's
40 right to terminate a tenant's residency or evict a tenant for good cause.

41 (6) As used in this section, "local government" means cities and counties.

42 **SECTION 7.** ORS 456.502 is amended to read:

43 456.502. (1) The Affordable Housing Land Acquisition Revolving Loan Program is established
44 within the Housing and Community Services Department. The purpose of the program is to provide
45 financial assistance to eligible organizations to purchase land for affordable housing development.

1 The department may contract with a qualifying nonprofit organization to serve in a fiduciary ca-
2 pacity as program administrator.

3 (2) The department or the program administrator, with the department's approval, may make
4 loans to eligible organizations to purchase land on which to develop affordable housing and to build
5 facilities intended to provide supportive services to affordable housing residents and low income
6 households in the nearby community.

7 (3) Organizations that are eligible to participate in the program include local governments,
8 [local] housing authorities, nonprofit community or neighborhood-based organizations, federally re-
9 cognized Indian tribes in this state and regional or statewide nonprofit housing assistance organ-
10 izations.

11 (4) Each eligible organization must include in the organization's loan application a proposed af-
12 fordable housing development plan that indicates the number of affordable housing units planned, a
13 description of any other facilities that are being considered for the property and an estimated
14 timeline for completion of the development. The department or the department's program adminis-
15 trator may require additional information from eligible organizations and may consider the efficient
16 use of land, project readiness, organizational capacity and other factors as criteria in making loans.

17 (5) Forty percent of loans made by the program shall go to eligible organizations operating home
18 ownership programs for low income households. If the entire 40 percent cannot be loaned to the
19 types of eligible organizations described in this subsection, the remainder may be loaned to other
20 eligible organizations under subsection (6) of this section.

21 (6) Sixty percent of loans shall be made to eligible organizations not described in subsection (5)
22 of this section.

23 (7) Within five years of receiving a loan, a loan recipient must present the department or the
24 program administrator with an updated development plan, including a proposed development design,
25 committed and anticipated additional financial resources to be dedicated to the development and an
26 estimated development schedule that indicates completion of the development within eight years of
27 receipt of the loan. The updated development plan must be substantially consistent with the devel-
28 opment plan submitted as part of the original loan application required in subsection (4) of this
29 section.

30 (8) Within eight years of receiving a loan under this section, a loan recipient must complete
31 development of affordable housing on the property for which the loan was made and place the af-
32 fordable housing into service.

33 (9) A loan recipient must preserve the affordable housing developed on the property acquired
34 under this section as affordable housing for a minimum of 30 years.

35 (10)(a) If a loan recipient does not place affordable housing into service on a property for which
36 a loan was received under this section within the eight-year period specified in subsection (8) of this
37 section, or if a loan recipient fails to use the property for the intended affordable housing purpose
38 consistent with the loan recipient's original affordable housing development plan, the loan recipient
39 must pay to the department an amount consisting of the principal of the original loan plus com-
40 pounded interest calculated at the current market rate. The department shall develop guidelines for
41 the time period in which this repayment must take place and include the time period in the original
42 loan agreement entered into with the loan recipient. The department may grant a partial or total
43 exemption from this repayment requirement if the department determines that a development is
44 substantially complete or that the property has been substantially used as described in the original
45 affordable housing development plan.

1 (b) As used in this subsection, “current market rate” means the current average market interest
2 rate that is determined at the time any individual loan is closed upon using a widely recognized
3 current market interest rate measurement to be selected for use by the department or by the pro-
4 gram administrator, with the approval of the department. This interest rate must be noted in an
5 attachment to the closing documents for each loan.

6 (11) The department, or the program administrator with the approval of the department, may
7 adopt guidelines and requirements that are necessary to administer the program.

8 (12) Interest rates on loans granted under this section may not exceed one percent.

9 (13) The department, or the program administrator with the approval of the department, must
10 develop performance measures for the program, including at a minimum measures related to:

11 (a) The ability of eligible organizations to access land for affordable housing development;

12 (b) The total number of dwelling units by housing type and the total number of low income
13 households and persons served; and

14 (c) The financial efficiency of the program as demonstrated by certain factors, including the cost
15 per unit developed for affordable housing units in different areas of this state and a measure of the
16 effective use of funds to produce the greatest number of units for low income households.

17 (14) By December 1 of each year, beginning in 2018, the department and the program adminis-
18 trator, if any, shall report to the interim committees of the Legislative Assembly with subject matter
19 jurisdiction for housing regarding the performance measures developed under subsection (13) of this
20 section.

21 (15) For purposes of this section, “low income household” has the meaning given that term in
22 ORS 456.270.

23 (16) The department shall adopt rules to implement and carry out the provisions of this section.
