SECTION 1. ORS 294.060 is amended to read:

294.060. (1) The moneys received by each county under ORS 293.560 shall be divided 75 percent to the road fund and 25 percent to the school fund of the county and, subject to subsection (2) of this section, the moneys shall be expended as other moneys in those funds are expended.

(2) The moneys apportioned to the county road fund may be applied in payment of any outstanding road bonds or may be placed in any county road bond sinking fund for the purpose of being so applied.

(3) Notwithstanding the division of receipts specified in subsection (1) of this section, in any county east of the summit of the Cascade Mountains with a population of less than 9,000 and more than 6,500, according to the 1990 federal decennial census, moneys from the road fund in excess of $2 million may be transferred to the school fund when the amount of [money] moneys credited to the road fund under subsection (1) of this section exceeds the amount needed for county roads, as determined by the board of county commissioners. Any amount received by a school district from the school fund of the county that is in excess of the 25 percent required under subsection (1) of this section may not be considered as a receipt that would reduce the district's apportionments from the State School Fund.
