CHAPTER

AN ACT

Relating to collection of court-imposed financial obligations; amending ORS 1.202 and 293.240; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 1.202 is amended to read:

1.202. (1) All circuit courts and appellate courts of this state, and all commissions, departments and divisions in the judicial branch of state government, shall add a fee of [*not less than \$50 and*] not more than \$200 to any judgment that includes a monetary obligation that the court or judicial branch is charged with collecting. The fee shall cover the cost of establishing and administering an account for the debtor and shall be added without further notice to the debtor or further order of the court. The fee shall be added only if the court gives the defendant a period of time in which to pay the obligation after the financial obligation is imposed. Fees under this subsection shall be deposited in the General Fund.

(2) All circuit courts and appellate courts of this state, and all commissions, departments and divisions in the judicial branch of state government, that use private collection agencies, the Department of Revenue or an offset of federal tax refunds pursuant to an agreement entered into under ORS 1.196 shall add a fee to any judgment referred for collection that includes a monetary obligation that the state court or the commission, department or division is charged with collecting. A fee to cover the costs of collecting judgments referred to the private collection agency, the Department of Revenue, the United States Financial Management Service or the Internal Revenue Service shall be added to the monetary obligation without further notice to the debtor or further order of the court. The fee may not exceed the actual costs of collecting the judgment.

(3) The Chief Justice of the Supreme Court may authorize [*courts*] **or direct circuit courts and appellate courts of this state, and all commissions, departments and divisions in the judicial branch of state government,** to waive or suspend the fees required to be added to judgments under this section. Except to the extent authorized by the Chief Justice, a court may not waive or suspend the fees required to be added to judgments under this section.

SECTION 2. ORS 293.240 is amended to read:

293.240. (1) If a state agency has made all reasonable efforts to collect money owed to the agency and has determined that the money and any interest or penalties on the money are uncollectible, the agency may write off the debt on its accounts.

(2) Before determining that money is uncollectible under subsection (1) of this section, a state agency must adopt criteria for determining when money is uncollectible. The criteria must include the right of offset and must be approved by the Attorney General.

(3)(a) A state agency, the Department of Revenue collecting on an account under ORS 293.250 or a private collection agency collecting on an account under ORS 293.231 may propose and accept offers of compromise for settlement of a debt owed to a state agency. Before proposing or accepting an offer of compromise, a state agency must adopt criteria for determining when offers of compromise may be made. The criteria must be approved by:

(A) The Attorney General in the case of the Secretary of State and State Treasurer;

(B) The Chief Justice in the case of all state courts and all commissions, departments and divisions in the judicial branch of state government; or

(C) The Oregon Department of Administrative Services and the Attorney General in the case of other state agencies.

(b) A private collection agency or the Department of Revenue shall accept an offer of compromise for settlement of a debt owed to a state agency:

(A) In accordance with the criteria adopted by the state agency to which the debt is owed; and

(B) With the authorization of the state agency to which the debt is owed.

(c) This subsection does not allow the compromise of **the amount of restitution or a compensatory fine** in a criminal money judgment [*that requires a defendant to pay restitution or a compensatory fine*].

(4) This section does not apply to debts owed to a state agency for which a procedure for compromise, release, discharge, waiver, cancellation or other form of settlement for the debt for reasons other than uncollectibility is by law made specially applicable to the state agency.
