House Bill 2200

Sponsored by Representative WILDE (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Requires local correctional facility to contact primary health care provider of pretrial detainee within 72 hours of booking and ensure that detainee receives health care prescribed by provider.

Requires Oregon Health Authority to reimburse cities and counties for medication-assisted treatment and substance use disorder treatment of pretrial detainees who do not have other coverage.

A BILL FOR AN ACT

Relating to health care for incarcerated persons.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) As used in this section:

(a) “Coordinated care organization” has the meaning given that term in ORS 414.025.

(b) “Local correctional facility” has the meaning given that term in ORS 169.005.

(c) “Prepaid managed care health services organization” has the meaning given that term in ORS 414.025.

(2) No later than 72 hours after a pretrial detainee is booked into a local correctional facility, the staff of the facility shall contact the primary health care provider of the detainee as identified by the detainee. If the detainee is enrolled in a coordinated care organization or prepaid managed care health services organization, the staff shall contact the coordinated care organization or prepaid managed care health services organization to determine the provider who is primarily responsible for the detainee’s health care.

(3) The local correctional facility shall ensure that the detainee receives all treatment prescribed by the detainee's primary health care provider including but not limited to medication-assisted treatment or substance use treatment for substance use disorders. No treatment may be denied by the facility based on custodial considerations.

(4) The Oregon Health Authority shall reimburse cities and counties for the cost of providing medication-assisted treatment or substance use disorder treatment to pretrial detainees who do not have insurance or another form of coverage.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
