(b) An employer other than the State of Oregon may provide coverage under an employer-sponsored health plan to an officer or employee and any other individual provided coverage under the officer’s or employee’s plan on the day before the date the officer or employee goes on leave for the period during which the officer or employee is absent on leave.

(6) The State of Oregon, a county, a municipality or another political subdivision of the state may establish and administer a program that allows an officer or employee who is absent on leave to receive an amount of pay or other emolument that supplements and exceeds any compensation received for performing military duty, provided the amount received by the officer or employee under this subsection does not exceed the amount of base salary the officer or employee was earning on the date the officer or employee began the leave of absence.
