House Bill 2240

Sponsored by Representative WILDE (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Prohibits cities from assessing off-site storm water charges against federal facilities under certain circumstances.

A BILL FOR AN ACT

Relating to storm water.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) As used in this section, “federal facility” includes real property held in lease by the United States Air Force for operation of an Air National Guard unit that is also a reserve component of the United States Air Force, and from which federal missions are conducted using federally owned equipment.

(2) A city may not assess against a federal facility off-site storm water charges calculated based on the impervious surface area of the real property that constitutes the federal facility if:

(a) The federal facility treats storm water on-site in compliance with a permit issued by the Department of Environmental Quality; and

(b) Discharges the storm water treated on-site into a waterway that is not within the jurisdiction of the city.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
