House Bill 2331
Sponsored by Representative BONHAM (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Excludes over-the-air broadcasting from meaning of “communication” for purposes of central assessment for property taxation.

Takes effect on 91st day following adjournment sine die.

A BILL FOR AN ACT

Relating to over-the-air broadcasting; creating new provisions; amending ORS 308.505; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 308.505 is amended to read:

308.505. As used in ORS 308.505 to 308.674:

(1) “Car” or “railcar” means a vehicle adapted to the rails of a railroad.

(2) “Centrally assessed” means the assessment of property by the Department of Revenue under ORS 308.505 to 308.674.

(3)(a) “Communication” includes telephone communication and data transmission services by whatever means provided.

(b) “Communication” does not include over-the-air broadcasting.

(4) “Data center” means an online service data center or an independent data center.

(5) “Data transmission services” does not include providing electronic mail accounts or search engine services solely by means of contractual agreement with another company that owns the transmission property if providing such accounts or services are the only data transmission services provided by the company in Oregon.

(6) “Historical or original cost” means all costs incurred by a company in placing property in service for the property’s intended use by the company, including, but not limited to, purchase price, freight, engineering fees, legal fees, materials, labor, overhead, taxes, interest, entrepreneurial profit and other fees, expenses and charges related to construction or installation.

(7) “Independent data center” means real and personal property consisting of buildings or structures specifically designed or modified to house networked computers and data and transaction processing equipment and related infrastructure support equipment, including, without limitation, power and cooling equipment, used primarily to provide, as a service to persons other than the company operating the independent data center, data and transaction processing services, outsource information technology services and computer equipment colocation services. For purposes of this subsection, the primary use of property is based on the relative proportion of the original cost of property used for all purposes.

(8) “Inland water” means all water or waters within the State of Oregon, all interstate rivers touching Oregon and all tidewaters extending to the ocean bars.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
