Delete lines 17 through 26 of the printed bill and insert:

"SECTION 2. (1) The Department of Environmental Quality shall establish and maintain an estimate of human-caused black carbon emissions in this state and estimate the net impact of human-caused black carbon sources on climate change.

(2) The department shall, as appropriate, utilize the estimates developed under subsection (1) of this section to assist with the duties and functions of the department related to climate change.

SECTION 3. The Department of Environmental Quality shall provide the results of the estimates first prepared under section 2 of this 2021 Act in a report to the Environmental Quality Commission and to the interim committees of the Legislative Assembly related to the environment, in the manner provided under ORS 192.245, no later than September 15, 2022. The report required under this section must include recommendations for strategies to mitigate black carbon from sources identified under section 2 of this 2021 Act and may include recommendations for legislation.

SECTION 4. Section 3 of this 2021 Act is repealed on January 2, 2023."

In line 27, delete “4” and insert “5”.
