(2) **Except as otherwise specifically provided, members of a committee created under this section are not entitled to compensation but, in the discretion of the commission, may be reimbursed from funds available to the commission for actual and necessary travel and other expenses incurred by the members in the performance of official duties in the manner and amount provided in ORS 292.495.**

(3)(a) **The commission shall establish a Child Welfare Equity Advisory Committee composed of members of the commission, employees of the Department of Human Services who make decisions regarding the removal of children from their homes, current or former foster parents or foster children and other child welfare stakeholders. (h) No later than September 1 of each even-numbered year, the commission shall submit a report, in the manner provided by ORS 192.245, to the interim committees of the Legislative Assembly related to human services.
