"SECTION 1. (1) On or before July 1, 2022, the Land Conservation and Development Commission shall adopt rules identifying reasons sufficient for a county to justify an exception, as described in ORS 197.732, for facilities generating electricity from renewable energy sources, as described in ORS 469A.025, that are otherwise not allowed under the applicable statewide planning goal or goals.

(2) Rules adopted under this section must:

(a) Balance the value of in-state renewable energy generation to provide community benefits, to diversify energy sources of this state and to address climate change with the continued protections for important resource uses such as agriculture and forestry, natural resources, cultural and historic resources and open space.

(b) Be effective beginning no later than July 1, 2022.

(3) In adopting rules under this section, the commission shall:

(a) Evaluate different criteria in areas with fewer potential resources or with cultural or community conflicts.

(b) Evaluate alternative ways to mitigate potential conflicts that cannot be resolved through avoidance or minimization.

(c) Consider information from the State Department of Energy and any other relevant information from other sources regarding the type of lands suitable for renewable energy projects.

(d) Empanel a broad and inclusive rule advisory committee that ensures adequate stakeholder representation.

(e) Consult with the State Department of Agriculture, the State Department of Energy, the State Department of Fish and Wildlife, the State Forestry Department, the Public Utility Commission, the State Parks and Recreation Department and the federally recognized Indian tribes in Oregon.

SECTION 2. In addition to and not in lieu of any other appropriation, there is appropriated to the Land Conservation and Development Commission, for the biennium beginning July 1, 2021, out of the General Fund, the amount of $300,000, to adopt rules under section 1 of this 2021 Act.

SECTION 3. Section 1 of this 2021 Act is repealed on January 2, 2023.

SECTION 4. This 2021 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2021 Act takes effect on July 1, 2021."
