41 **SECTION 2.** All agencies of state government as defined in ORS 174.111 are directed to  
42 assist the Land Use and Wildfire Policy Advisory Committee and the Department of Land  
43 Conservation and Development in the performance of committee and department duties un-  
44 der sections 3 and 4 of this 2021 Act.

## REGIONAL WILDFIRE RISK

**SECTION 3.** (1) The State Forestry Department and Oregon State University, in consultation with the Department of Land Conservation and Development, shall for each wildfire risk region of this state jointly consult with fire protection agencies and districts, fire officials and personnel and cities and counties in the region. The departments and the university shall analyze the wildfire risk for each region to develop recommendations for reducing the wildfire risk to people, public and private property, businesses, infrastructure and natural resources in that region.

(2) The State Forestry Department and the university, in consultation with the Department of Land Conservation and Development, shall report the recommendations for regional wildfire risk reduction to the Land Use and Wildfire Policy Advisory Committee no later than October 1, 2021.

(3) The departments and the committee shall analyze and evaluate the material to develop recommendations regarding possible means for implementing the final recommendations produced by the Governor's Council on Wildfire Response through the statewide land use planning program and local governments to minimize the risks from wildfires to people, public and private property, businesses, infrastructure and natural resources.

## IMPLEMENTATION OF COUNCIL RECOMMENDATIONS

**SECTION 4.** (1) The Department of Land Conservation and Development, in collaboration with the State Forestry Department and the Land Use and Wildfire Policy Advisory Committee, shall report to an interim committee of the Legislative Assembly relating to natural resources in the manner provided under ORS 192.245 no later than February 1, 2022, regarding possible means for implementing the final recommendations produced by the Governor's Council on Wildfire Response.

(2) The report must include, but need not be limited to, the following:

(a) The recommendations developed under section 3 of this 2021 Act.

(b) Existing state and local maps that identify wildfire risk.

(c) To the extent the Land Use and Wildfire Policy Advisory Committee and the departments deem appropriate, new map resources that account for regional differences in program information.

(d) Identification of state and local resources needed to develop, maintain and update wildfire risk maps.

(e) Multiple recommendations regarding possible means for using the statewide planning program and local governments including, but not limited to, recommendations regarding revisions and updates to the statewide land use planning program and local zoning codes.

(f) Planning goals related to natural hazards, including but not limited to Goal 7.

(g) Existing state and local programs that minimize wildfire risk, including, but not limited to, programs that identify wildfire risk through mapping or that define minimum defensible space.

(h) Identification of revisions to the statewide land use planning program and to local building codes appropriate to minimize wildfire risks, including, but not limited to, provisions regarding sufficient defensible space, safe evacuation, adequate access for wildfire fighting

1 equipment and personnel, and considerations regarding development in areas of high wildfire  
2 risk that allow for regional differences in topography, vegetation, soil types and other rele-  
3 vant factors.

4 (i) Funding, staffing and other administrative resources necessary for state, county and  
5 city governments to implement wildfire reduction programs, including, but not limited to, the  
6 costs of program development, implementation and ongoing operations and the need for  
7 stable long-term funding for the programs.

8 (j) A description of areas of agreement and disagreement among the departments and  
9 members of the Land Use and Wildfire Policy Advisory Committee.

10  
11 COUNCIL  
12

13 **SECTION 5.** The Governor may assign duties to the Governor’s Council on Wildfire Re-  
14 sponse as the Governor deems appropriate to assist state and local agencies and officials to  
15 oversee and assist in the implementation of wildfire risk reduction programs. The council’s  
16 duties may include, but need not be limited to, providing advice, suggesting priorities, re-  
17 commending future actions and providing coordination with federal agencies.

18 **SECTION 6.** (1) As used in this section, “sustainable” means short-term and long-term  
19 financial stability that provides the ability to implement, carry out, expand and maintain  
20 activity.

21 (2) The Governor’s Council on Wildfire Response shall report detailed recommendations  
22 of the council for a sustainable model for funding a comprehensive wildfire strategy that is  
23 consistent with the strategy contained in the “November 2019: Report and  
24 Recommendations” of the council.

25 (3) The council shall report its recommendations to the Legislative Assembly as provided  
26 in ORS 192.245, and to the Governor, no later than October 31, 2021.

27 (4) In developing recommendations and preparing the report described in this section, the  
28 council:

29 (a) Shall cooperate with relevant state agencies including, but not limited to, the State  
30 Forestry Department, the State Fire Marshal, the Oregon Health Authority, the Office of  
31 Emergency Management, the Department of Land Conservation and Development, the De-  
32 partment of Consumer and Business Services, the State Department of Fish and Wildlife, the  
33 Department of Environmental Quality and the Oregon Department of Administrative Ser-  
34 vices;

35 (b) Shall invite comments, advice or assistance from relevant federal agencies including,  
36 but not limited to, the United States Forest Service and the Bureau of Land Management;

37 (c) May contract with outside consultants and experts; and

38 (d) Shall use the regular meetings of the council as a forum for receiving input from  
39 council members and the public regarding content for the report.

40  
41 FUEL LOAD DISPOSAL STUDY  
42

43 **SECTION 7.** (1) The State Department of Energy shall commission a study to determine  
44 whether renewable energy generation is a feasible means for disposing of materials from  
45 wildfire fuel load reduction projects. The study shall include, but need not be limited to, an

1 evaluation of the financial and operational feasibility of using the materials for renewable  
 2 energy generation instead of disposing of the materials through controlled fires or other  
 3 means.

4 (2) The entity commissioned by the department to conduct the study:

5 (a) Must have expertise in western United States energy markets;

6 (b) Must have expertise related to wildfire fuel load reduction; and

7 (c) Must be capable of conducting the study in conformance with transparency require-  
 8 ments and other requirements of Oregon law.

9 (3) The department shall award a contract commissioning the study no later than August  
 10 31, 2021. The amount of the contract may not exceed \$500,000.

11 (4) The department shall require the commissioned entity to complete the study no later  
 12 than January 15, 2022.

13 (5) The Director of the State Department of Energy shall appoint an advisory committee  
 14 to provide advice to the commissioned entity in conducting the study and to act as a re-  
 15 viewing body for the study results. To the extent practicable, the director shall appoint ad-  
 16 visory committee members representing a diverse range of stakeholder interests, expertise  
 17 and education, racial, ethnic and economic groups and geographic areas of the state. The  
 18 director shall appoint the advisory committee members on or before July 31, 2021.

19 (6) Members of the advisory committee are entitled to compensation and expenses in-  
 20 curred by them in the performance of their official duties in the manner and amounts pro-  
 21 vided in ORS 292.495. Claims for compensation and expenses shall be paid out of funds  
 22 appropriated to the department for that purpose.

23 (7) The members of the advisory committee shall elect one of the members to be chair  
 24 of the advisory committee and one member to be vice-chair, with all powers appropriate to  
 25 those offices.

26 (8) The advisory committee shall meet at times and places determined by the chair or  
 27 by the director. A majority of the advisory committee members shall be a quorum for the  
 28 conducting of business. Official actions by the advisory committee require approval by a  
 29 majority of the members.

30 (9) The department shall provide staff services for the advisory committee.

31
