[(a)] (A) The unpaid amount of wages earned within 60 days before the date of the cessation of business; or

(3) The commissioner may commence an appropriate action, suit or proceeding to recover from the employer, or other persons or property liable for the unpaid wages, amounts paid from the Wage Security Fund under subsection (1) of this section. In addition to costs and disbursements, the commissioner is entitled to recover reasonable attorney fees at trial and on appeal, together with a penalty of 25 percent of the amount of wages paid from the Wage Security Fund or $200, whichever amount is the greater. All amounts recovered by the commissioner under this subsection and subsection (4) of this section are appropriated continuously to the commissioner to carry out the provisions of this section.

(4) The commissioner has a lien on the personal property of the employer for the benefit of the fund when the claim is paid under subsection (1) of this section for the amount so paid and the penalty referred to in subsection (3) of this section. The commissioner may cause to be filed a verified written notice of claim of lien with the recording officer of the county in which the employer has its principal place of business no later than 30 days after the date the claim was paid under subsection (1) of this section. The notice of claim of lien shall contain:

(b) The name of the owner of the personal property to be charged with the lien;

(c) A description of the personal property to be charged with the lien sufficient for identification. If a lien is being claimed against all personal property of the employer, the description is sufficient if it states that all personal property of the employer is covered; and

(d) The date the wage claim was paid.

(5) Liens created by subsection (4) of this section shall be recorded in the same manner as provided for in ORS 87.246 and may be foreclosed in the manner provided for in ORS 87.262.

(6) Liens created by subsection (4) of this section shall have priority over any other liens or security interests perfected after the date the notice of claim is filed with the county recording officer under subsections (4) and (5) of this section.

(7) The commissioner shall promulgate rules to carry out the provisions of this section that include, but are not limited to, prescribing procedures for a timely and cost efficient method for the payment of wage claims from the Wage Security Fund and procedures for prorating wage claims if insufficient funds are available for payment.

(8) Nothing in this section is intended to require the commissioner to pay wage claims for which moneys are not available under ORS 652.409 (2).
