A BILL FOR AN ACT

Relating to veterans' courts.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The Department of Veterans' Affairs shall develop and implement a grant program to provide funding to Oregon counties to:

(a) Support the operation of existing veterans' courts; and

(b) Support the implementation of veterans' courts in counties that do not offer veterans' courts.

(2) To be eligible for a grant under the program, a county must commit to providing local resources or funding for veterans' courts at a level or in amounts determined by the department by rule.

(3) The minimum amount of a grant under the program is $25,000 per biennium. The maximum amount is $100,000 per biennium.

(4) Under the grant program, counties may submit proposals to the department that describe the counties' need for grant funding and proposed uses for grant funding. The department shall award grants to counties on a competitive basis, with the goal of maximizing the number of veterans who have access to veterans' courts.

(5) The department shall consult with the Advisory Committee established under ORS 406.210 in determining which grant proposals to fund and in what amounts.

(6) Before grant funding is disbursed to a grant recipient, the department shall enter into a written grant agreement with the recipient. The grant agreement must:

(a) Set forth permissible uses for the grant funding;

(b) Require the recipient to provide local resources or funding for veterans' courts; and

(c) Require the recipient to report to the department on the expenditure of the grant funding, at intervals and for a period that the department deems necessary to ensure that grant funding is expended for permissible purposes.

(7) The department may solicit and accept gifts, grants and donations from public and private sources to further the purposes of this section.

(8) The department may adopt rules as necessary or convenient to implement the provisions of this section.

(9) As used in this section, “veterans' court” means a specialized court or court program...
for defendants who are military veterans.
