A BILL FOR AN ACT
Relating to a task force on age discrimination; and declaring an emergency.
Whereas ageism and age discrimination are significant issues in our country; and
Whereas the results of a 2018 Oregon survey, conducted by AARP, revealed that more than three in five Oregon residents, 40 years of age or older, have witnessed or experienced age discrimination in the workplace; and
Whereas there is inconsistency between federal and state law regarding age-based discrimination; and
Whereas there is a need to evaluate methods to address age discrimination in the workplace and eliminate barriers to accessing employment opportunities; and
Whereas discussions about how to address age discrimination are ongoing and would advance through the establishment of a formal process; now, therefore,
