A-Engrossed
House Bill 2955
Ordered by the House March 31
Including House Amendments dated March 31
Sponsored by Representatives MCLAIN, CAMPOS; Representatives DEXTER, HELM, MARSH, NERON, SOLLMAN, WILDE, Senators DEMBROW, RILEY

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Establishes product stewardship program for household hazardous waste.
Establishes Household Hazardous Waste Stewardship Fund.
Becomes operative January 1, 2022.
Requires initial plans for household hazardous waste stewardship programs to be submitted to Department of Environmental Quality no later than April 1, 2023. Requires household hazardous waste stewardship program developed pursuant to approved plan to be implemented no earlier than January 1, 2024.
Imposes penalty for violation by retailer of program provisions not to exceed $100 per day for each day of violation.
Imposes penalty for violation by manufacturer or stewardship organization of program provisions not to exceed $25,000 per day for each day of violation.
Declares emergency, effective on passage.

A BILL FOR AN ACT
Relating to household hazardous waste; creating new provisions; amending ORS 459.415 and 459.995; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. The Legislative Assembly finds and declares that it is in the best interests of this state for manufacturers of products for household use that contain hazardous substances to take responsibility for developing, financing and implementing a statewide system to conveniently serve the urban and rural areas of this state, for the collection and environmentally sound management of household hazardous waste.

SECTION 2. As used in sections 1 to 11 of this 2021 Act:
(1) "Brand" means a name, symbols, words or marks that identify a covered product and attribute the product to the owner of the brand as the manufacturer.
(2)(a) "Covered product" means any product offered for retail sale for household use, contained in the receptacle in which the product is offered for retail sale, if the product has any of the following characteristics:
(B) The physical properties of the product meet the criteria for designation as a class 2, 3, 4, 5, 6 or 8 hazardous material, as defined in 49 C.F.R. 173, by the United States Department of Transportation pursuant to the Hazardous Materials Transportation Act of 1975, 49

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted.
New sections are in boldfaced type.

LC 1533
(b) “Covered product” does not mean:
(A) A primary battery or rechargeable battery.
(B) A lamp that contains mercury.
(C) A thermostat that contains mercury.
(D) A pharmaceutical drug.
(F) Architectural paint, as defined in ORS 459A.822.
(G) An electronic device, including but not limited to a covered electronic device as defined in ORS 459A.305.
(H) A vitamin or dietary supplement.
(I) A liquefied petroleum gas container or receptacle that is designed to be refilled.
(J) Products regulated by the federal Food and Drug Administration.
(K) An antimicrobial product that requires registration under the Federal Insecticide, Fungicide, and Rodenticide Act, P.L. 92-516, 7 U.S.C. 136, as amended, and is labeled in accordance with federal requirements for pesticide products intended for household use only.
(3) “Environmentally sound management” includes, but is not limited to, the following management practices, implemented in a manner that is designed to protect public health, safety and the environment:
(a) Adequate record keeping;
(b) Keeping detailed documentation of the methods used to:
(A) Manage covered products; and
(B) Track and document the fate of covered products from collection through final disposition within this state and outside this state;
(c) Performance audits and inspections;
(d) Compliance with worker health and safety requirements; and
(e) Maintenance of adequate environmental liability insurance and financial assurances for a stewardship organization and contractors working for the stewardship organization.
(4) “Final disposition” means the point beyond which no further processing takes place and the covered product has been:
(a) Transformed for direct use as a feedstock in producing new products; or
(b) Disposed of or processed for energy recovery in permitted facilities.
(5) “Household hazardous waste stewardship program” means a statewide program for the collection and environmentally sound management of covered products that is funded and operated by a stewardship organization pursuant to a plan approved by the Department of Environmental Quality under section 6 of this 2021 Act.
(6) “Manufacturer” means any person, irrespective of the selling technique used, including that of remote sale:
(a) That manufactures covered products under a brand that it owns or is licensed to use;
(b) That sells covered products manufactured by others under a brand that the seller owns;
(c) That manufactures covered products without affixing a brand;
(d) That manufactures covered products to which it affixes a brand that it does not own; or

(e) On whose account covered products manufactured outside the United States are imported into the United States. This paragraph does not apply if, at the time the covered products are imported into the United States, another person is registered as the owner of the brand of the covered products.

(7) “Orphan covered product” means a covered product for which no manufacturer can be identified.

(8) “Person” means the United States, the state or a public or private corporation, local government unit, public agency, individual, partnership, association, firm, trust, estate or other legal entity.

(9) “Pharmaceutical drug” means any product sold for human medical or veterinary use, including prescription, nonprescription, brand name and generic drugs.

(10) “Premium service” means a service such as at-home pickup service, including curbside pickup service.

(11) “Primary battery” means any nonrechargeable battery, including but not limited to an alkaline, a carbon-zinc and a lithium metal battery.

(12) “Rechargeable battery” means one or more voltaic or galvanic cells, electrically connected to produce electric energy and designed to be recharged.

(13) “Retailer” means a person that offers new covered products for sale at retail through any means, including but not limited to remote offerings such as sales outlets, catalogs or the Internet.

(14) “Stewardship organization” means a corporation, nonprofit organization or other legal entity designated by a manufacturer or group of manufacturers to implement a household hazardous waste stewardship program.

SECTION 3. (1) A manufacturer or retailer may not sell or offer for sale any covered product to any person in this state unless:

(a) The covered product is labeled with a brand; and

(b) The brand is included in a plan for a household hazardous waste stewardship program that is submitted to and approved by the Department of Environmental Quality pursuant to sections 5 and 6 of this 2021 Act.

(2)(a) A manufacturer shall maintain information on available collection opportunities for the covered product through the approved household hazardous waste stewardship program and shall provide the information in an electronic and printable format for retailers.

(b) A retailer that sells or offers for sale covered products shall post or provide the information described in paragraph (a) of this subsection in a manner, which may include by electronic means, that is reasonably calculated to inform consumers of available collection opportunities.

(3) A retailer is in compliance with subsection (1) of this section if, on the date the covered product is ordered from the manufacturer or its agent, the website maintained by the manufacturer's stewardship organization lists the manufacturer, along with the manufacturer's brand associated with the covered product, as a participant in an approved household hazardous waste stewardship program.

(4) A manufacturer shall participate in an approved stewardship organization and is responsible for all obligations placed on the stewardship organization.
SECTION 4. Before January 1 of each year, a stewardship organization for covered products sold or offered for sale in this state shall register with the Department of Environmental Quality, for a period to cover the upcoming calendar year, on a form provided by the department. The registration must include:

(1) A list of all manufacturers that are participating in the stewardship organization.

(2) A list of all the brands manufactured, sold or imported by the manufacturers participating in the stewardship organization, including those brands being offered for sale in this state by the manufacturers.

(3) Any other information required by the department to implement sections 1 to 11 of this 2021 Act.

SECTION 5. (1) In a form and manner prescribed by the Department of Environmental Quality, a stewardship organization shall submit to the department every four years a plan for the development and implementation of a household hazardous waste stewardship program. The plan must describe how the stewardship organization will:

(a) Manage and conduct a household hazardous waste stewardship program.

(b) Fund the household hazardous waste stewardship program, including how the stewardship organization will fund all the costs incurred for the environmentally sound management of covered products during each stage of management, from collection of the covered products from the public through final disposition of the covered products.

(c) Apportion the costs of the household hazardous waste stewardship program among each manufacturer participating in the stewardship organization.

(d) Provide for the environmentally sound management of covered products.

(e) Provide for advertising and promoting collection opportunities statewide and on a regular basis.

(f) Work to develop and implement the household hazardous waste stewardship program in coordination with:

   (A) An approved statewide architectural paint stewardship program as described in ORS 459A.820 to 459A.855; and

   (B) Any other stewardship organizations in this state.

(g) Provide for convenient service as described in subsection (2) of this section.

(2) Unless the department adopts by rule different standards, a plan provides for convenient service if:

(a) For a county or metropolitan service district where a permanent publicly owned or publicly contracted household hazardous waste collection site is located, the plan describes how the stewardship organization will provide for the environmentally sound management of covered products received at the permanent site and received through collection events conducted by an entity approved by the department to conduct collection events, the county or the metropolitan service district;

(b) For a county that does not have a permanent publicly owned or publicly contracted household hazardous waste collection site and that contains all or part of a city having a population of 25,000 or more, the plan describes how the stewardship organization will provide for:

   (A) At least one collection event per year; and

   (B) The environmentally sound management of covered products received at the collection event provided for by the stewardship organization and at any additional collection
events conducted by the department, an entity approved by the department to conduct col-
lection events or the county; and

c) For a county that does not have a permanent publicly owned or publicly contracted
household hazardous waste collection site and that does not contain all or part of a city
having a population of 25,000 or more, the plan describes how the stewardship organization
will provide for:

(A) At least one collection event every other year; and

(B) The environmentally sound management of covered products received at the col-
lection event provided for by the stewardship organization and at any additional collection
events conducted by the department, an entity approved by the department to conduct col-
lection events or the county.

(3) A plan submitted under subsection (1) of this section must describe how the
stewardship organization has made a good faith effort to coordinate with an appropriate local
government as defined in ORS 174.116, collection service franchise holder under ORS 459A.085
or person who provides collection service for the payment of costs associated with the re-
receipt at collection events of products that are not covered products.

(b) If the department determines that the stewardship organization has made a good
faith effort under paragraph (a) of this subsection and was unable to coordinate with the
appropriate local government, collection service franchise holder or person who provides
collection service, the department may allow the stewardship organization to refuse to ac-
cept at collection events products that are not covered products.

(4) In operating a household hazardous waste stewardship program, a stewardship or-
ganization shall:

(a) Implement the plan required under this section no later than 60 days after the de-
partment approves the plan.

(b) Meet or exceed the requirements for providing convenient service as described in
subsection (2) of this section.

(c) Offer publicly owned or publicly contracted household hazardous waste collection sites
the first opportunity to participate as collection sites.

(d) Provide for the environmentally sound management of all covered products, regard-
less of the manufacturer of the covered product and including orphan covered products, free
of charge, except that a stewardship organization that provides premium service for a
household may charge for the additional cost of that premium service.

(e) Notify retailers that sell or offer for sale covered products made or sold by man-
ufacturers participating in the household hazardous waste stewardship organization about
the stewardship program and provide the retailers with information about available col-
lection opportunities that the retailers will need in order to comply with section 3 (2) of this
2021 Act.

(f) By April 1 of each year, or by a later date as determined by the department, provide
a report for review by the department that details how the plan required under this section
was implemented during the previous calendar year, including but not limited to information
about the services that were provided and the material collected during the previous calen-
dar year.

(g) Establish and maintain a website that provides information about collection sites
under the program and lists manufacturers participating in the stewardship organization
SECTION 6. (1) The Department of Environmental Quality shall approve a plan submitted under section 5 of this 2021 Act if the stewardship organization submits a completed plan, the proposed plan meets the requirements of section 5 of this 2021 Act and the stewardship organization pays the fee established by the Environmental Quality Commission under section 8 of this 2021 Act.

(2)(a) Not later than 60 days after receiving a plan under section 5 of this 2021 Act, the department shall approve or reject the plan. If the department rejects the plan, the department shall inform the stewardship organization of the reason or reasons for the rejection.

(b) Not later than 60 days after the department rejects a plan under paragraph (a) of this subsection, a stewardship organization must submit to the department a revised plan. Not later than 90 days after receiving a revised plan under this paragraph, the department shall approve or reject the revised plan.

(3) Notwithstanding section 5 (2)(a) of this 2021 Act, if the department determines that a plan does not provide convenient service in a county where a permanent publicly owned or publicly contracted household hazardous waste collection site is located, the department may require a stewardship organization to pay an entity approved by the department to conduct collection events for the costs the approved entity incurs for the collection, transport, processing and disposal or other management of covered products. Charges to the stewardship organization may not exceed the actual costs of providing those services.

(4) The department may adopt by rule methods for measuring program performance, which may include, but need not be limited to, convenience standards or public awareness measures.

(5) The department shall report biennially to the Legislative Assembly on the operation of the statewide system for the environmentally sound management of covered products.

SECTION 7. (1) In accordance with the applicable provisions of ORS chapter 183 relating to contested case proceedings, the Department of Environmental Quality may issue an order requiring compliance with the provisions of sections 1 to 11 of this 2021 Act.

(2) The department may bring an action against any person that is in violation of the provisions of sections 1 to 11 of this 2021 Act.

(3) The department may revoke the approval of a plan approved by the department under section 6 of this 2021 Act if the department determines that a stewardship organization is in violation of the provisions of sections 1 to 11 of this 2021 Act.

SECTION 8. (1) The Environmental Quality Commission shall adopt by rule an annual registration fee to be paid by a stewardship organization. The fee adopted under this section must be reasonably calculated to cover the costs of administering, implementing and enforcing sections 1 to 11 of this 2021 Act.

(2) The fee required by this section shall accompany the registration form submitted by a stewardship organization under section 4 of this 2021 Act.

(3) Fees collected by the commission under this section shall be deposited in the State Treasury to the credit of the Household Hazardous Waste Stewardship Fund established under section 9 of this 2021 Act.

SECTION 9. The Household Hazardous Waste Stewardship Fund is established, separate and distinct from the General Fund. Interest earned by the Household Hazardous Waste
Stewardship Fund shall be credited to the fund. Moneys in the fund are continuously appropriated to the Department of Environmental Quality and may be used only to pay the costs of administering, implementing and enforcing sections 1 to 11 of this 2021 Act.

SECTION 10. The Legislative Assembly declares that the collaboration of manufacturers and stewardship organizations to develop and implement household hazardous waste stewardship programs is in the best interests of the public. Therefore, the Legislative Assembly declares its intent that the development, implementation and operation of household hazardous waste stewardship programs as required by sections 1 to 11 of this 2021 Act shall be exempt from state antitrust laws. The Legislative Assembly further declares its intent to provide immunity for the development, implementation and operation of household hazardous waste stewardship programs as required by sections 1 to 11 of this 2021 Act from federal antitrust laws. This section does not authorize any person to engage in activities or to conspire to engage in activities that constitute per se violations of state or federal antitrust laws that are not authorized under sections 1 to 11 of this 2021 Act.

SECTION 11. The Environmental Quality Commission may adopt rules as necessary to implement sections 1 to 11 of this 2021 Act.

SECTION 12. ORS 459.415 is amended to read:

459.415. (1) Before any local government unit or stewardship organization operating a household hazardous waste stewardship program under sections 1 to 11 of this 2021 Act operates a permanent collection depot or periodic collection events for household hazardous waste or hazardous waste generated by conditionally exempt small quantity generators, the local government shall receive written approval from the Department of Environmental Quality.

(2) In requesting written approval from the department, a local government unit or stewardship organization proposing to operate a permanent collection depot or periodic collection events shall submit a detailed proposal. The proposal shall include at least the following information:

(a) Measures to be taken to ensure safety of the public and employees or volunteers working at the collection site;

(b) Measures to be taken to prevent spills or releases of hazardous waste and a plan to respond to a spill or release if one occurs;

(c) A copy of the request for proposals for a contractor to properly manage and recycle or dispose of the waste collected in a manner consistent with the rules of the Environmental Quality Commission for hazardous waste collection, storage, transportation and disposal; and

(d) Measures to be implemented to ensure no waste is accepted from generators of hazardous waste subject to regulation under ORS 466.005 to 466.385 unless the intent is to specifically collect such waste.

(3) The department may request additional information about the proposed program from the local government unit or stewardship organization. The department shall not approve a program unless the program provides adequate provisions to protect the public health, safety and the environment.

SECTION 13. ORS 459.995 is amended to read:

459.995. (1) Except as provided in subsection (2) of this section, in addition to any other penalty provided by law:

(a) Any person who violates ORS 459.205, 459.270, 459.272, 459.386 to 459.405, 459.705 to 459.790, 459A.005 to 459A.620, 459A.310 to 459A.335, 459A.675 to 459A.685 or 646A.080, or any rule or order of the Environmental Quality Commission pertaining to the disposal, collection, storage or reuse or
recycling of solid wastes, as defined by ORS 459.005, or any rule or order pertaining to the disposal,
storage or transportation of waste tires, as defined by ORS 459.705, or any rule or order pertaining
to the sale of novelty items that contain encapsulated liquid mercury, incurs a civil penalty not to
exceed $25,000 per day for each day of the violation.

(b) Any person who violates the provisions of ORS 459.420 to 459.426 incurs a civil penalty not
to exceed $500 for each violation. Each battery that is disposed of improperly is a separate violation.
Each day an establishment fails to post the notice required under ORS 459.426 is a separate vio-
lation.

(c) For each day a city, county or metropolitan service district fails to provide the opportunity
to recycle as required under ORS 459A.005, the city, county or metropolitan service district incurs
a civil penalty not to exceed $500 for each violation.

(d) Any person who violates the provisions of ORS 459.247 (1)(f) incurs a civil penalty not to
exceed $500 for each violation. Each covered electronic device that is disposed of improperly is a
separate violation.

(e) Any retailer that violates the provisions of ORS 459A.825 (1) or (2)(b) or section 3 of this
2021 Act incurs a civil penalty not to exceed $100 per day for each day of the violation.

(f) Any producer that violates the provisions of ORS 459A.825 (1) incurs a civil penalty not to
exceed $1,000 per day for each day of the violation.

(g) Any stewardship organization that violates the provisions of ORS 459A.825 (2)(a), 459A.827,
459A.830 to 459A.837 or 459A.842 incurs a civil penalty not to exceed $1,000 per day for each day
of the violation.

(h) Any manufacturer or stewardship organization that violates sections 1 to 11 of this
2021 Act or any rule adopted under sections 1 to 11 of this 2021 Act incurs a civil penalty not
to exceed $25,000 per day for each day of the violation.

(2) Any product manufacturer or package manufacturer who violates ORS 459A.650 to 459A.665
or any rule adopted under ORS 459A.650 to 459A.665 incurs a civil penalty not to exceed $1,000 per
day for each day of the violation. A violation of ORS 459A.650 to 459A.665 is not subject to addi-
tional penalties under subsection (1) of this section.

(3) Any civil penalty authorized by subsection (1) or (2) of this section shall be imposed in the
manner provided by ORS 468.135.

SECTION 14. Sections 1 to 11 of this 2021 Act and the amendments to ORS 459.415 and
459.995 by sections 12 and 13 of this 2021 Act apply to all manufacturers engaging in the ac-
tivities set forth in section 2 (6) of this 2021 Act before, on or after January 1, 2022.

MISCELLANEOUS

SECTION 15. (1) Sections 1 to 11 of this 2021 Act and the amendments to ORS 459.415
and 459.995 by sections 12 and 13 of this 2021 Act become operative on January 1, 2022.

(2) The Environmental Quality Commission and the Department of Environmental Qual-
ity may take any action before the operative date specified in subsection (1) of this section
that is necessary for the commission and the department to exercise, on and after the op-
erative date specified in subsection (1) of this section, all of the duties, functions and powers
conferred on the commission and the department by sections 1 to 11 of this 2021 Act and the
amendments to ORS 459.415 and 459.995 by sections 12 and 13 of this 2021 Act.

SECTION 16. (1) Initial plans for a household hazardous waste stewardship program must
be submitted to the Department of Environmental Quality under section 5 of this 2021 Act
not later than April 1, 2023.

(2) Notwithstanding section 5 (4)(a) of this 2021 Act, a household hazardous waste
stewardship program developed pursuant to an approved plan under sections 5 and 6 of this
2021 Act may first be implemented no earlier than January 1, 2024.

CAPTIONS

SECTION 17. The unit captions used in this 2021 Act are provided only for the conven-
ience of the reader and do not become part of the statutory law of this state or express any
legislative intent in the enactment of this 2021 Act.

EMERGENCY CLAUSE

SECTION 18. This 2021 Act being necessary for the immediate preservation of the public
peace, health and safety, an emergency is declared to exist, and this 2021 Act takes effect
on its passage.
