Requires Oregon Health Authority to establish and administer program to provide palliative care services and support provision of home- and community-based end of life care. Specifies eligibility, services and provider qualifications.

A BILL FOR AN ACT

Relating to palliative care.

Be It Enacted by the People of the State of Oregon:

SECTION 1. The Oregon Health Authority shall establish and administer, through fee-for-service payment or through coordinated care organizations, a program to provide palliative care services and support the provision of home- and community-based end of life care. The authority shall adopt by rule eligibility requirements, provider qualifications, services to be provided and rates of reimbursement, consistent with the following guidelines:

1. A patient shall qualify for palliative care if:
    a. The patient has been diagnosed with a serious illness with a life-limiting prognosis of 24 months or less that negatively impacts the patient's or caregiver's quality of life;
    b. Palliative care is ordered by a physician or primary health care provider; and
    c. The patient may be at risk for frequent emergency department visits or frequent hospitalizations.

2. The palliative care services must be provided by an interdisciplinary team of providers who are trained or certified in palliative care. A team must include:
    a. A case manager who is a registered nurse under ORS 678.010 to 678.410;
    b. A medical social worker; and
    c. A physician or other primary health care provider.

3. The palliative care must be provided in the patient's residence of choice, which may include a long term care facility, as defined in ORS 442.015.

4. The services that must be provided, as determined by the team, include, but are not limited to:
    a. Palliative care assessment;
    b. Advanced care planning including discussion regarding completion of a POLST, as defined in ORS 127.663;
    c. Case management and care coordination provided by a registered nurse under ORS 678.010 to 678.410;
    d. Pain and symptom management;
    e. Mental health and medical social work services;
    f. Twenty-four hour clinical telephone support; and
