A BILL FOR AN ACT

Relating to firefighters; creating new provisions; and amending ORS 476.280, 476.310, 477.409, 478.260, 478.300, 478.990 and 526.041.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2021 Act is added to and made a part of ORS 181A.355 to 181A.670.

SECTION 2. In addition to minimum standards or minimum training recommended pursuant to ORS 181A.410, a fire service professional shall undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.), if the fire service professional serves in a paid capacity, or National Fire Protection Association standard 1720 (2020 ed.), if the fire service professional serves in a volunteer capacity.

SECTION 3. ORS 476.280 is amended to read:

476.280. (1) The fire chief, or the representative of the fire chief, of any duly organized municipal or rural fire protection district may extinguish any uncontrolled fire found to be burning in any unprotected area, if:

(a) The governing body of the city or the district board of the rural fire protection district, as the case may be, has authorized the fire chief and the representatives of the fire chief to extinguish uncontrolled fires that are found to be burning in unprotected areas situated outside of the boundaries of the city or district and that are causing or may cause an undue jeopardy to life or property; and

(b) The fire chief or the representative of the fire chief believes that such fire is causing or may cause undue jeopardy to life or property.

(2) In extinguishing a fire pursuant to subsection (1) of this section, the fire chief and the representatives of the fire chief may employ the same means and resources used by them to extinguish similar fires within their jurisdiction.

(3) A governing body of a city or a district board of a rural fire protection district that provides or contracts for the provision of fire protection services under this section shall ensure that:

(a) Paid firefighters undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.).

(b) Volunteer firefighters undertake training consistent with National Fire Protection...
HB 2983

SECTION 4. ORS 476.310 is amended to read:

476.310. (1) The governing body of each county may, in cooperation with the State Board of Forestry, zone and, as often as necessary, rezone any lands within the county lying outside the boundaries of incorporated cities, organized rural fire protection districts, federal and state-owned lands, lands protected under ORS chapter 477 and railroad rights of way, except that railroad rights of way may be zoned or rezoned if the owners of such rights of way file their written consent with the governing body. Lands, when zoned or rezoned, shall be divided into two zones as follows:

(a) Zone 1 shall be composed of forest, range, grass or undeveloped lands, or any of such lands intermingled with grazing and agricultural lands.

(b) Zone 2 shall be composed of rural lands not included in zone 1.

(2) During the season of the year when there is danger of fire, every owner of zone 1 land shall provide adequate protection against the starting or spread of fire thereon or therefrom, which protection shall meet with the approval of the governing body of the county in which the zone 1 land is located.

(3) An owner shall be deemed to have complied with the requirements of subsection (2) of this section if, on January 1 of each year, the owner files with the governing body of the county a bona fide fire protection plan that meets with the approval of the county governing body. The governing body of the county, or its appointed representative, shall periodically inspect the protection facilities provided under such a plan in order to confirm compliance by the owner.

(4) If any owner of zone 1 land fails or neglects to file a fire protection plan, or to comply with the standard of protection approved by the county governing body, the governing body shall provide for forest protection pursuant to ORS 476.320.

(5) Nothing contained in ORS 476.310 to 476.340 shall prevent interested property owners in any nonzoned territory from petitioning the governing body and State Board of Forestry to hold a hearing on the matter of zoning the territory if a majority of the landowners within the territory file such petition. The governing body, cooperating with the State Board of Forestry, shall give full consideration to the wishes of the landowners as shown by the hearing.

(6) A governing body of a county that provides or contracts for the provision of fire protection services under this section shall ensure that:

(a) Paid firefighters undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.).

(b) Volunteer firefighters undertake training consistent with National Fire Protection Association standard 1720 (2020 ed.).

SECTION 5. Section 6 of this 2021 Act is added to and made a part of ORS chapter 477.

SECTION 6. (1) As used in this section:

(a) “Firefighter” means an employee of the State Forestry Department or of a forest protective association whose duties include the abatement of uncontrolled fire as described in ORS 477.064.

(b) “Voluntarily” has the meaning given that term in ORS 477.123.

(c) “Wildfire” has the meaning given that term in ORS 477.123.

(2) A firefighter shall undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.).

(3) A person who intends to voluntarily fight a wildfire shall undertake training consistent with National Fire Protection Association standard 1720 (2020 ed.).
SECTION 7. ORS 477.409 is amended to read:

477.409. (1) The Department of Transportation and the Douglas Forest Protective Association, the Coos Forest Protective Association, the Walker Range Forest Protective Association or any successor association may enter into contracts that provide for seasonal fire prevention and suppression personnel employed by an association to render off-season services to the Department of Transportation. Services provided under a contract described in this section must be off-season services that State Forestry Department personnel were authorized to perform under one or more contracts or agreements between the Department of Transportation and the State Forestry Department entered into on or before January 1, 2012.

(2) A contract under this section shall specify the functions or activities to be performed and by what means the functions or activities are to be performed. The contract shall provide for:

(a) Identifying the responsibilities of the parties in ensuring payment of wages to the personnel for the off-season services.

(b) The term or duration of the contract.

(c) The rights of the parties to terminate the contract.

(3) A contract under this section shall require that:

(a) Paid firefighters acting under the contract must undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.).

(b) Volunteer firefighters acting under the contract must undertake training consistent with National Fire Protection Association standard 1720 (2020 ed.).

(4) A contract under this section may exclude any clause or condition required by ORS 279B.220, 279B.225, 279B.230, 279B.235, 279B.270 or 279C.500 to 279C.530 from the contract.

(5) If the Department of Transportation enters into a contract under this section, the department shall submit a summary of the contract to the Oregon Department of Administrative Services within the 30-day period immediately following the effective date of the contract. The summary shall include the following information:

(a) Names of the parties to the contract.

(b) Date of the contract.

(c) Subject matter of the contract.

(d) The location at which a person may obtain a copy of the contract.

(6) The Department of Transportation shall submit a summary under subsection ((4)) of this section to the Oregon Department of Administrative Services through electronic means.

SECTION 8. ORS 478.260 is amended to read:

478.260. (1)(a) The district board shall select a fire chief qualified by actual experience as a firefighter or training in fire prevention, or otherwise, and assistants, volunteer or otherwise, and fix their compensation. The fire chief shall be responsible for the equipment and properties of the district. Under the direction of the board, the fire chief shall be responsible for the conduct of the fire department.

(b) A fire chief or assistant who serves in a paid capacity shall undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.).

(c) A fire chief or assistant who serves in a volunteer capacity shall undertake training consistent with National Fire Protection Association standard 1720 (2020 ed.).

(2) The board, with advice and counsel of the fire chief, shall select the location of the fire house or houses or headquarters of the fire department of the district. Such sites shall be chosen with a view to the best service to the residents and properties of the whole district and may be acquired.
by purchase or exercise of the powers of eminent domain in the manner provided by ORS chapter 35. The board may purchase apparatus and equipment as needed by the district, and provide a water system, ponds or reservoirs for the storage of water for fire-fighting purposes. Or the board may contract with water companies or districts, or both, for water service and facilities at a rate of compensation mutually agreed upon. The board also may divide the district into zones or subdivisions and provide an adequate system or code of fire alarms or signals by telephone, bell, whistle, siren or other means of communication.

(3) A district may operate or acquire and operate, or contract for the operation of, emergency medical service equipment and vehicles both within and without the boundaries of the district. A district may conduct ambulance operations only in conformance with a county plan adopted under ORS 682.062 for ambulance services and ambulance service areas and with rules of the Oregon Health Authority relating to such services and service areas. Service authorized under a county plan includes authorization for a district to provide ambulance services by intergovernmental agreement with any other unit of local government designated by the plan to provide ambulance services.

(4) As used in this section, “ambulance services” has the meaning given that term in ORS 682.027.

SECTION 9. ORS 478.300 is amended to read:

478.300. (1) In addition to the authority to enter into intergovernmental agreements under ORS chapter 190, a rural fire protection district or other public body as defined in ORS 174.109 may contract with any person for the purpose of affording fire fighting, protection or prevention facilities or road-lighting facilities and services, or both, to such person.

(2) A rural fire protection district or other public body that enters into an agreement or contract pursuant to ORS chapter 190 or subsection (1) of this section to provide fire protection service shall ensure that:

(a) Paid firefighters who provide the fire protection service undertake training consistent with National Fire Protection Association standard 1710 (2020 ed.).

(b) Volunteer firefighters who provide the fire protection service undertake training consistent with National Fire Protection Association standard 1720 (2020 ed.).

(3) When any agreement or contract is entered into pursuant to ORS chapter 190 or subsection (1) of this section to provide fire protection service, the rural fire protection district or other public body providing such service shall have authority over open burning and the issuance of fire permits in the area served, and may in accordance with this chapter make reasonable rules and regulations relating thereto.

SECTION 10. ORS 478.990 is amended to read:

478.990. (1) Violation of any provision of ORS 478.930 is a Class D violation. Each day's refusal to remove fire hazards after notice by the inspecting officer to the owner of the premises where the hazard exists is a separate offense.

(2) Burning without a permit required under ORS 478.960 (1) or in violation of a condition thereof is a misdemeanor.

(3) Violation of ORS 478.960 (4) is a misdemeanor.

(4) Subject to ORS 153.022 and 153.025, violation of any rule or regulation made by a rural fire protection district or other public body, as defined in ORS 174.109, pursuant to ORS 478.300 [2] (3) is a misdemeanor.

SECTION 11. ORS 526.041 is amended to read:
526.041. The forester, under the general supervision of the State Board of Forestry, shall:

(1) In compliance with ORS chapter 183, promulgate rules consistent with law for the enforcement of the state forest laws relating directly to the protection of forestland and the conservation of forest resources.

(2) Appoint and instruct fire wardens as provided in ORS chapter 477.

(3) Direct the improvement and protection of forestland owned by the State of Oregon.

(4) Collect data relative to forest conditions.

(5) Take action authorized by law to prevent and extinguish forest, brush and grass fires.

(6) Enforce all laws pertaining to forestland and prosecute violations of such laws.

(7) Cooperate with landowners, political subdivisions, private associations and agencies and others in forest protection.

(8) Advise and encourage reforestation.

(9) Publish such information on forestry as the forester determines to be in the public interest.

(10) Enter into contracts and cooperative agreements pertaining to experiments and research in forestry.

(11) Sell, exchange or otherwise dispose of any real property heretofore or hereafter acquired by the board for administrative purposes and no longer needed.

(12) Coordinate any activities of the State Forestry Department related to a watershed enhancement project approved by the Oregon Watershed Enhancement Board under ORS 541.932 with activities of other cooperating state and federal agencies participating in the project.

(14) Serve as the Governor’s authorized representative for the purpose of initiating the fire management assistance declaration process with the Federal Emergency Management Agency and administering Federal Emergency Management Agency fire management assistance grants.
