SECTION 7. ORS 90.396 is amended to read:

90.396. (1) Except as provided in subsection (2) of this section, after at least 24 hours’ written notice specifying the acts and omissions constituting the cause and specifying the date and time of the termination, the landlord may terminate the rental agreement and take possession as provided in ORS 105.105 to 105.168, if:

(a) The tenant, someone in the tenant’s control or the tenant’s pet seriously threatens to inflict
substantial personal injury, or inflicts any substantial personal injury, upon a person on the premises other than the tenant;

(b) The tenant or someone in the tenant’s control recklessly endangers a person on the premises other than the tenant by creating a serious risk of substantial personal injury;

(c) The tenant, someone in the tenant’s control or the tenant’s pet inflicts any substantial personal injury upon a neighbor living in the immediate vicinity of the premises;

(d) The tenant or someone in the tenant’s control intentionally inflicts any substantial damage to the premises or the tenant’s pet inflicts substantial damage to the premises on more than one occasion;

(e)(A) The tenant intentionally provided substantial false information on the application for the tenancy within the past year;

(B) The false information was with regard to a criminal conviction of the tenant that would have been material to the landlord’s acceptance of the application; and

(C) The landlord terminates the rental agreement within 30 days after discovering the falsity of the information; or

(f) The tenant, someone in the tenant’s control or the tenant’s pet commits any act that is outrageous in the extreme, on the premises or in the immediate vicinity of the premises. For purposes of this paragraph, an act is outrageous in the extreme if the act is not described in paragraphs (a) to (e) of this subsection, but is similar in degree and is one that a reasonable person in that community would consider to be so offensive as to warrant termination of the tenancy within 24 hours, considering the seriousness of the act or the risk to others. An act that is outrageous in the extreme is more extreme or serious than an act that warrants a 30-day termination under ORS 90.392. Acts that are “outrageous in the extreme” include, but are not limited to, the following acts by a person:

(A) Prostitution, commercial sexual solicitation or promoting prostitution, as described in ORS 167.007, 167.008 and 167.012;

(B) Unlawful manufacture, delivery or possession of a controlled substance, as defined in ORS 475.005;

(C) Manufacture of a cannabinoid extract, as defined in ORS 475B.015, unless the person manufacturing the cannabinoid extract holds a license issued under ORS 475B.090 or is registered under ORS 475B.840 section 3 of this 2021 Act;

(D) A bias crime, as described in ORS 166.155 and 166.165; or

(E) Burglary as described in ORS 164.215 and 164.225.

(2) If the cause for a termination notice given pursuant to subsection (1) of this section is based upon the acts of the tenant’s pet, the tenant may cure the cause and avoid termination of the tenancy by removing the pet from the premises prior to the end of the notice period. The notice must describe the right of the tenant to cure the cause. If the tenant returns the pet to the premises at any time after having cured the violation, the landlord, after at least 24 hours’ written notice specifying the subsequent presence of the offending pet, may terminate the rental agreement and take possession as provided in ORS 105.105 to 105.168. The tenant does not have a right to cure this subsequent violation.

(3) For purposes of subsection (1) of this section, someone is in the tenant’s control if that person enters or remains on the premises with the tenant’s permission or consent after the tenant reasonably knows or should know of that person’s act or likelihood to commit any act of the type described in subsection (1) of this section.

(4) An act can be proven to be outrageous in the extreme even if the act is one that does not
violate a criminal statute. Notwithstanding the references to criminal statutes in subsection (1)(f) of this section, the landlord’s burden of proof in an action for possession under subsection (1) of this section is the civil standard of proof by a preponderance of the evidence.

(5) If a good faith effort by a landlord to terminate the tenancy under subsection (1)(f) of this section and to recover possession of the rental unit under ORS 105.105 to 105.168 fails by decision of the court, the landlord may not be found in violation of any state statute or local ordinance requiring the landlord to remove that tenant upon threat of fine, abatement or forfeiture as long as the landlord continues to make a good faith effort to terminate the tenancy.

SECTION 8. ORS 323.505, as amended by section 12, chapter 525, Oregon Laws 2019, is amended to read:

323.505. (1) A tax is hereby imposed upon the distribution of all tobacco products in this state. (c) Sixty-five percent of the wholesale sales price of all tobacco products that are not cigars or moist snuff.

(3) For reporting periods beginning on or after July 1, 2022, the rates of tax applicable to moist snuff under subsection (2)(b) of this section shall be adjusted for each biennium according to the cost-of-living adjustment for the calendar year. The Department of Revenue shall recompute the rates for each biennium by adding to the rates in subsection (2)(b) of this section the product obtained by multiplying the rates in subsection (2)(b) of this section by a factor that is equal to 0.25 multiplied by the percentage (if any) by which the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year exceeds the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31, 2020.

(4) If the tax imposed under this section does not equal an amount calculable to a whole cent, the tax shall be equal to the next higher whole cent. However, the amount remitted to the Department of Revenue by the taxpayer for each quarter shall be equal only to 98.5 percent of the total taxes due and payable by the taxpayer for the quarter.

(a) Marketed and sold solely for the purpose of vaporizing or aerosolizing marijuana items as defined in ORS 475B.015; or

The land use compatibility statement must demonstrate that the requested license is for a land use that is allowable as a permitted or conditional use within the given zoning designation where the land is located. The Oregon Liquor Control Commission may not issue a license if the land use compatibility statement shows that the proposed land use is prohibited in the applicable zone.

(2) Except as provided in subsection (3) of this section, a city or county that receives a request for a land use compatibility statement under this section must act on that request within 21 days of:

(a) Receipt of the request, if the land use is allowable as an outright permitted use; or
(b) Final local permit approval, if the land use is allowable as a conditional use.

(3) A city or county that receives a request for a land use compatibility statement under this section is not required to act on that request during the period that the commission discontinues licensing those premises pursuant to ORS 475B.968 (4)(b).

(4) A city or county action concerning a land use compatibility statement under this section is not a land use decision for purposes of ORS chapter 195, 196, 197, 215 or 227.
