24 **NOTE:** Adds section to appropriate chapter.

25 **SECTION 21.** ORS 276.093 is amended to read:

26 276.093. As used in ORS 276.093 to 276.098 and 276.440:

27 (1) “Commercial activities” includes, but is not limited to, restaurants, food stores, craft stores,  
28 dry goods stores and display facilities.

29 (2) “Cultural activities” includes, but is not limited to, film, dramatic, dance and musical pres-  
30 entations, fine arts exhibits, studios and public meeting places, whether or not used by persons, firms  
31 or organizations intending to make a profit.

32 (3) “Director” means the Director of the Oregon Department of Administrative Services.

33 (4) “Educational activities” includes, but is not limited to, libraries, schools, child care facilities,  
34 laboratories and lecture and demonstration facilities.

35 (5) “Historical, architectural or cultural significance” includes, but is not limited to, buildings  
36 listed or eligible to be listed on the National Register of Historic Places under [section 101 of] the  
37 National Historic Preservation Act of October 15, 1966 [(16 U.S.C. 470a)] (54 U.S.C. 300101 et  
38 seq.).

39 (6) “Recreational activities” includes, but is not limited to, gymnasiums and related facilities.

40 (7) “State building” means all state buildings under the control of the Oregon Department of  
41 Administrative Services.

42 (8) “Unit of local government” means any city or county, or other political subdivision of the  
43 state.

44 **NOTE:** Updates citation of federal Act in (5).

45 **SECTION 22.** ORS 283.398 is amended to read:

1 283.398. (1) As used in this section and ORS 283.401, “zero-emission vehicle” means a battery  
2 electric vehicle, a plug-in hybrid electric vehicle or a hydrogen fuel cell vehicle or any type of ve-  
3 hicle defined by the State Department of Energy or the Environmental Quality Commission by rule  
4 as a “zero-emission vehicle” if the vehicle’s type and fuel are consistent with the goals set forth in  
5 this section.

6 (2) The Legislative Assembly finds that:

7 (a) Motor vehicle emissions contribute significantly to air pollution in this state.

8 (b) In [2019] **2018**, the Oregon transportation sector was responsible for approximately 40 per-  
9 cent of this state’s greenhouse gas emissions, and light-duty vehicles were responsible for more than  
10 half of the transportation sector’s emissions.

11 (c) Motor vehicle emissions, especially greenhouse gases, are difficult to reduce and will rise  
12 over time if not limited by additional laws and regulations.

13 (d) Absent significant changes in the types of motor vehicles used by people and businesses in  
14 Oregon, the state will not meet the greenhouse gas emissions reduction goals set forth in ORS  
15 468A.205.

16 (e) In ORS 757.357, the Legislative Assembly found that transportation electrification is neces-  
17 sary to reduce petroleum use, achieve optimum levels of energy efficiency and carbon reduction,  
18 meet federal and state air quality standards, meet this state’s greenhouse gas emissions reduction  
19 goals set forth in ORS 468A.205 and improve the public health and safety.

20 (f) Existing federal and state incentives and programs are insufficient to transform the motor  
21 vehicle market on a timeline that will protect Oregonians from the worst impacts of global climate  
22 change.

23 (g) The purchase and ownership of zero-emission vehicles can reduce the overall energy costs  
24 paid by Oregon households and the specific costs associated with meeting transportation needs.

25 (h) A robust and well-operating market for zero-emission vehicles is essential to meeting this  
26 state’s greenhouse gas emissions reduction goals.

27 (i) Certain residents and communities face greater barriers to purchasing or leasing zero-  
28 emission vehicles, and additional support and innovative solutions are necessary to ensure that all  
29 Oregon households benefit from transportation electrification.

30 (3) The Legislative Assembly declares the following goals:

31 (a) Transformation of the motor vehicle market must occur no later than 2035.

32 (b) Programs and support must be provided to accelerate Oregonians’ purchase and use of  
33 zero-emission vehicles until greenhouse gas emissions from vehicles are declining at a rate consist-  
34 ent with this state’s greenhouse gas emissions reduction goals set forth in ORS 468A.205.

35 (c) The adoption and use of zero-emission vehicles must be evaluated regularly to determine  
36 whether the rate of the adoption and use of zero-emission vehicles will put the state on course to  
37 meet its greenhouse gas emissions reduction goals.

38 (4) To promote acquisition and use of zero-emission vehicles, all entities of the executive de-  
39 partment, as defined in ORS 174.112, shall lead by example by:

40 (a) Purchasing or leasing light-duty or medium-duty zero-emission vehicles, consistent with ORS  
41 283.327, when purchasing or leasing vehicles;

42 (b) Adopting policies and rules that promote the goals set forth in this section; and

43 (c) Considering recommendations submitted in the report required by ORS 283.401 that relate  
44 to zero-emission vehicles and adopting the recommendations when feasible.

45 **NOTE:** Corrects year referenced in (2)(b).

1       **SECTION 23.** ORS 327.254 is amended to read:

2       327.254. (1) The Department of Education shall use moneys in the Statewide Education Initi-  
 3       atives Account to provide funding for statewide education initiatives, including:

25       (A) The coaching program described in ORS 327.214; and

26       (B) The intensive program described in ORS 327.222, including costs for student success teams;

27       (L) Funding education service districts, as described in subsection (2) of this section; and

 29       327.235 and 327.274.

30       (2)(a) The amount of a distribution to an education service district under this section = the  
 31       education service district's ADMw  $\times$  (the total amount available for distribution to education ser-  
 32       vice districts in each biennium  $\div$  the total ADMw of all education service districts that receive a  
 33       distribution).

34       (b) For purposes of this subsection, ADMw equals the ADMw as calculated under ORS 327.013,  
 35       except that the additional amount allowed for students who are in poverty families, as determined  
 36       under ORS 327.013 (1)(c)(A)(v)(I), shall be 0.5.

37       (c) An education service district shall use moneys received under this section as provided by a  
 38       plan developed by the school districts located within the education service district. A school district  
 39       that declines to participate in the development of the plan or that has withdrawn from an education  
 40       service district as provided by ORS 334.015 is not entitled to any moneys distributed to the educa-  
 41       tion service district under this subsection.

42       (d) A plan developed under this subsection must:

43       (A) Align with and support school districts in meeting the performance growth targets of the  
 44       school districts developing the plan;

45       (B) Include the provision of technical assistance to school districts in developing, implementing

1 and reviewing a plan for receiving a grant from the Student Investment Account;

2 (C) Provide for coordination with the department in administering and providing technical as-

4 327.214; and

5 (D) Be adopted and amended as provided for local service plans under ORS 334.175 and approved  
6 by the department.

7 (e) Each education service district must submit an annual report to the department that:

8 (A) Describes how the education service district spent moneys received under this subsection;  
9 and

10 (B) Includes an evaluation of the education service district's compliance with the plan from the  
11 superintendent of each school district that participated in the development of the plan.

12 (3) The State Board of Education shall adopt rules necessary for the distribution of moneys un-  
13 der this section.

14 **NOTE:** Updates terminology in (1)(e).

35 (b) If a school district or public charter school requires a student to complete more than 24 total

42 (c)(A) A school district or public charter school that requires students to satisfy any require-  
43 ments not specified by paragraph (a) of this subsection or by rule of the State Board of Education  
44 must grant to a student a waiver of the requirements established by the school district or public  
45 charter school if the student is or, at any time from grade 9 to 12, was:

12 (B) For any student identified under subparagraph (A) of this paragraph, a school district or

13 public charter school must accept any credits earned by the student in another school district or

14 public charter school and apply those credits toward requirements specified by paragraph (a) of this

15 subsection or by rule of the State Board of Education if the credits satisfied those requirements in

32 school district or public charter school shall award a high school diploma to the student.

33 (5) If a school district or public charter school has received consent as provided by subsection

37 section, consent shall be provided by:

13 (ii) When added together, provide a total number of hours of instruction and services to the  
 14 student that equals at least the total number of instructional hours that is required to be provided  
 15 to students who are attending a public high school.

16 (b)(A) The number of instructional hours, hours of transition services and hours of other ser-  
 17 vices that are appropriate for a student shall be determined by the student's individualized education

 39 agency agreement entered into by the school district if the individualized education program devel-  
 40 oped for the student indicates that the services may be provided by another agency. A school  
 41 district that enters into an interagency agreement as allowed under this paragraph retains the re-  
 42 sponsibility for ensuring that the student has access to the number of service hours required to be  
 43 provided to the student under this subsection. An agency is not required to change any eligibility

 45 paragraph.

7 described in subsection (8)(b) of this section, information about the availability of a modified di-  
8 ploma, an extended diploma and an alternative certificate and the requirements for the diplomas and  
9 certificate:

10 (A) Beginning in grade five; or

11 (B) Beginning after a documented history described in subsection (8)(b) of this section has been  
12 established.

13 (14) A school district or public charter school shall allow a student to participate in the high  
14 school graduation ceremony with the class of the student and to wear a dress uniform issued to the  
15 student by a branch of the Armed Forces of the United States if the student:

16 (a) Qualifies to receive a high school diploma, a modified diploma, an extended diploma or an
