Pathology and Audiology shall review the rules of the Commission. The board may approve
and adopt the rules of the Commission as rules of the board. The State of Oregon is subject
to a rule of the Commission only if the rule of the Commission is adopted by the board.

B. If a majority of the legislatures of the member states rejects a rule, by enactment of
a statute or resolution in the same manner used to adopt this Compact within four years
of the date of adoption of the rule, the rule shall have no further force and effect in any
member state.

C. Rules or amendments to the rules shall be adopted at a regular or special meeting of

F. Prior to the adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

G. The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

1. At least 25 persons;
2. A state or federal governmental subdivision or agency; or
3. An association having at least 25 members.

that the usual rulemaking procedures provided in the Compact and in this section shall be
retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days
after the effective date of the rule. For the purposes of this provision, an emergency rule is
one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety or welfare;
2. Prevent a loss of Commission or member state funds; or
3. Meet a deadline for the promulgation of an administrative rule that is established by
   federal law or rule.

M. The Commission or an authorized committee of the Commission may direct revisions
to a previously adopted rule or amendment for purposes of correcting typographical errors,
errors in format, errors in consistency or grammatical errors. Public notice of any revisions
shall be posted on the website of the Commission. The revision shall be subject to challenge
by any person for a period of 30 days after posting. The revision may be challenged only on

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

A. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with this Compact.

B. All laws in a member state in conflict with this Compact are superseded to the extent of the conflict.

C. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission and adopted by the State Board of Examiners for Speech-Language Pathology and Audiology, are binding upon the member states.
