(2)(a) “Beneficiary” means an injured worker, and the spouse in a marriage, child or dependent of a worker, who is entitled to receive payments under this chapter.

(b) “Beneficiary” does not include:

(A) A spouse of an injured worker living in a state of abandonment for more than one year at the time of the injury or subsequently. A spouse who has lived separate and apart from the worker for a period of two years and who has not during that time received or attempted by process of law to collect funds for support or maintenance is considered living in a state of abandonment.

(B) A person who intentionally causes the compensable injury to or death of an injured worker.

(3) “Board” means the Workers' Compensation Board.

(4) “Carrier-insured employer” means an employer who provides workers’ compensation coverage with the State Accident Insurance Fund Corporation or an insurer authorized under ORS chapter 731 to transact workers’ compensation insurance in this state.

(5) “Child” means a child of an injured worker, including:

(a) A posthumous child;

(b) A child legally adopted before the injury;

(c) A child toward whom the worker stands in loco parentis;

(d) A child born out of wedlock;

(e) A stepchild, if the stepchild was, at the time of the injury, a member of the worker's family and substantially dependent upon the worker for support; and

(f) A child of any age who was an invalid at the time of the accident and thereafter remains an invalid substantially dependent on the worker for support.

(6) “Claim” means a written request for compensation from a subject worker or someone on the worker's behalf, or any compensable injury of which a subject employer has notice or knowledge.

(7)(a) A “compensable injury” is an accidental injury, or accidental injury to prosthetic appliances, arising out of and in the course of employment requiring medical services or resulting in
disability or death. An injury is accidental if the result is an accident, whether or not due to accidental means, if it is established by medical evidence supported by objective findings, subject to the following limitations:

(A) An injury or disease is not compensable as a consequence of a compensable injury unless the compensable injury is the major contributing cause of the consequential condition.

(B) If an otherwise compensable injury combines at any time with a preexisting condition to cause or prolong disability or a need for treatment, the combined condition is compensable only if, so long as and to the extent that the otherwise compensable injury is the major contributing cause of the disability of the combined condition or the major contributing cause of the need for treatment of the combined condition.

(b) “Compensable injury” does not include:

(A) Injury to any active participant in assaults or combats that are not connected to the job assignment and that amount to a deviation from customary duties;

(B) Injury incurred while engaging in or performing, or as the result of engaging in or performing, any recreational or social activities primarily for the worker’s personal pleasure; or

(C) Injury the major contributing cause of which is demonstrated to be by a preponderance of the evidence the injured worker’s consumption of alcoholic beverages or cannabis or the unlawful consumption of any controlled substance, unless the employer permitted, encouraged or had actual knowledge of such consumption.

c. A “disabling compensable injury” is an injury that entitles the worker to compensation for disability or death. An injury is not disabling if no temporary benefits are due and payable, unless there is a reasonable expectation that permanent disability will result from the injury.

d. A “nondisabling compensable injury” is any injury that requires medical services only.

(8) “Compensation” includes all benefits, including medical services, provided for a compensable injury to a subject worker or the worker’s beneficiaries by an insurer or self-insured employer pursuant to this chapter.

(9) “Department” means the Department of Consumer and Business Services.

(10)(a) “Dependent” means any of the following relatives of the worker who, at the time of an accident, depended in whole or in part for the relative’s support on the earnings of a worker who dies as a result of an injury:

(A) A parent, grandparent or stepparent;

(B) A grandson or granddaughter;

(C) A brother or sister or half-brother or half-sister; and

(D) A niece or nephew.

(b) “Dependent” does not include an alien who does not reside within the United States at the time of the accident, other than a parent, a spouse or children, unless a treaty provides otherwise.

(11) “Director” means the Director of the Department of Consumer and Business Services.

(12)(a) “Doctor” or “physician” means a person duly licensed to practice one or more of the healing arts in any country or in any state, territory or possession of the United States within the limits of the license of the licensee.

(i) Doctor or physician licensed by the State Board of Chiropractic Examiners for the State of Oregon under ORS chapter 684 or a similarly licensed doctor or physician in any country or in any state, territory or possession of the United States;

(ii) Physician assistant licensed by the Oregon Medical Board in accordance with ORS 677.505 to 677.525 or a similarly licensed physician assistant in any country or in any state, territory or possession of the United States;

(iii) Doctor of naturopathy or naturopathic physician licensed by the Oregon Board of Naturopathic Medicine under ORS chapter 685 or a similarly licensed doctor or physician in any country or in any state, territory or possession of the United States.

(d) “Consulting physician” means a doctor or physician who examines a worker or the worker’s medical record to advise the attending physician or nurse practitioner authorized to provide compensable medical services under ORS 656.245 regarding treatment of a worker’s compensable injury.

(13)(a) “Employer” means any person, including receiver, administrator, executor or trustee, and the state, state agencies, counties, municipal corporations, school districts and other public corporations or political subdivisions, that contracts to pay a remuneration for and secures the right to direct and control the services of any [person] worker.

(14) “Insurer” means the State Accident Insurance Fund Corporation or an insurer authorized under ORS chapter 731 to transact workers’ compensation insurance in this state or an assigned claims agent selected by the director under ORS 656.054.

(19) “Objective findings” in support of medical evidence are verifiable indications of injury or disease that may include, but are not limited to, range of motion, atrophy, muscle strength and palpable muscle spasm. “Objective findings” does not include physical findings or subjective responses to physical examinations that are not reproducible, measurable or observable.

(20) “Palliative care” means medical service rendered to reduce or moderate temporarily the intensity of an otherwise stable medical condition, but does not include those medical services ren-
dered to diagnose, heal or permanently alleviate or eliminate a medical condition.

(21) “Party” means a claimant for compensation, the employer of the injured worker at the time of injury and the insurer, if any, of the employer.

(22) “Payroll” means a record of wages payable to workers for their services and includes commissions, value of exchange labor and the reasonable value of board, rent, housing, lodging or similar advantage received from the employer. However, “payroll” does not include overtime pay, vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments to reward workers for safe working practices. Bonus pay is limited to payments that are not anticipated under the contract of employment and that are paid at the sole discretion of the employer.

The exclusion from payroll of bonus payments to reward workers for safe working practices is only for the purpose of calculations based on payroll to determine premium for workers’ compensation insurance, and does not affect any other calculation or determination based on payroll for the purposes of this chapter.

(23) “Person” includes a partnership, joint venture, association, limited liability company and corporation.

(24)(a) “Preexisting condition” means, for all industrial injury claims, any injury, disease, congenital abnormality, personality disorder or similar condition that contributes to disability or need for treatment, provided that:

(A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the worker has been diagnosed with the condition, or has obtained medical services for the symptoms of the condition regardless of diagnosis; and

(B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes the initial injury;

(ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the new medical condition; or

(iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment precedes the onset of the worsened condition.

(b) “Preexisting condition” means, for all occupational disease claims, any injury, disease, congenital abnormality, personality disorder or similar condition that contributes to disability or need for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim for worsening in such claims pursuant to ORS 656.273 or 656.278.

(c) For the purposes of industrial injury claims, a condition does not contribute to disability or need for treatment if the condition merely renders the worker more susceptible to the injury.

(25) “Self-insured employer” means an employer or group of employers certified under ORS 656.430 as meeting the qualifications set out by ORS 656.407.

(26) “State Accident Insurance Fund Corporation” and “corporation” mean the State Accident Insurance Fund Corporation created under ORS 656.752.

(27) “Subject employer” means an employer that is subject to this chapter as provided by ORS 656.023.

(28) “Subject worker” means a worker who is subject to this chapter as provided by ORS 656.027.

(29) “Wages” means the money rate at which the service rendered is recompensed under the contract of hiring in force at the time of the accident, including reasonable value of board, rent, housing, lodging or similar advantage received from the employer, and includes the amount of tips required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of

[4]
1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips
reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-
lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at
which any worker shall be carried upon the payroll of the employer for the purpose of determining
the premium of the employer.

(30) “Worker” means any person, other than an independent contractor, who engages to
furnish services for a remuneration, including a minor whether lawfully or unlawfully
employed, who engages to furnish services for a remuneration, subject to the direction and control of
an employer and includes and salaried, elected and appointed officials of the state, state agencies,
counties, cities, school districts and other public corporations, but does not include any person
whose services are performed as an adult in custody or ward of a state institution or as part of the
eligibility requirements for a general or public assistance grant. For the purpose of determining
entitlement to temporary disability benefits or permanent total disability benefits under this chapter,
“worker” does not include a person who has withdrawn from the workforce during the period for
which such benefits are sought.

(31) “Independent contractor” has the meaning for that term provided in ORS 670.600.
