Be It Enacted by the People of the State of Oregon:

(b) State Senator or Representative.

(c) Judge of the Supreme Court, Court of Appeals, circuit court or the Oregon Tax Court.

(2) The laws of a county, city, district or metropolitan service district under ORS chapter 268 may provide that STAR voting be used to determine the nomination for or election to an elected office of that county, city, district or metropolitan service district.

SECTION 3. (1) The manner of voting set forth in this section may be referred to as “STAR voting” or “Score Then Automatic Runoff voting.”

(2) When a nomination for or an election to an office is determined by STAR voting, the winner of the nomination or election shall be determined in the manner set forth in this section.

(3)(a) The ballot shall provide the elector the option to score each candidate for an office from zero to five.

(b) For each office for which a candidate appears on the ballot, the two candidates who receive the highest total score, as calculated under paragraph (a) of this subsection, shall advance to a second runoff round of vote tallying in the manner described in subsection (5) of this section.

(5) Each ballot cast shall be tallied to determine, for each office, which of the two candidates identified in subsection (4)(b) of this section receives the vote of each elector that cast a ballot in the election. For the purpose of vote tallying under this subsection:

(a) The candidate who received the higher score from an elector, as calculated under subsection (4) of this section, shall receive the vote from that elector.

(b) If the two candidates received the same score from an elector, neither candidate may receive the vote of that elector.

(c) The individual who receives the most votes, as calculated under this subsection, is nominated or elected to the office.

(6)(a) When more than one person is to be nominated or elected to a single office, there shall be a successive round of vote tallying after the individual who has received the most votes, as calculated under subsection (5) of this section, is determined.

(b) The two candidates of the remaining candidates who receive the highest total score, as calculated under paragraph (a) of this subsection, shall run off in another round of vote tallying in the manner described in subsection (5)(a) to (c) of this section. This process continues until all positions are filled.

(7) When STAR voting is used to determine the winner of an election to a nonpartisan office, a nominating election for the nonpartisan office shall not be held and the names of all of the candidates who have filed a nominating petition or declaration of candidacy shall appear on the ballot at the general election for the nonpartisan office.

(8) The Secretary of State may adopt rules necessary for the implementation of this section.

(b) The names of candidates for the offices of President and Vice President of the United States shall be arranged in groups.

(2) Except as provided in ORS 254.125 and 254.135 and this section, no information about the candidate, including any title or designation, other than the candidate’s name, may appear on the ballot.

(3) Spaces shall be provided for any offices appearing on the ballot in which the elector may write the name of any person not printed on the ballot. If a voting machine is used, spaces shall be provided on the ballot, or on separate material delivered to the elector with the ballot, in which the elector may write or enter the names of persons for any offices appearing on the ballot.

(4) On the left margin of the ballot, the name of each group or candidate may be numbered. The blank spaces may not be numbered. A particular number may not be used to designate more than one candidate at any election.

(5) The names of all candidates for the same office shall be listed in the same column on the ballot. If more than one column is needed to list names of all candidates for that office, the names may be arranged in one or more columns in block form. The block shall be set apart by rulings under the title of the office. If a blank space follows the list of candidates, the space shall be in the same column as the names of candidates for that office. If blocks of columns are used, blank spaces shall be included within the ruled block.

(6) The ballot shall be clearly marked to indicate when names of candidates for the office are continued on the following page.

(7) When a measure is submitted to the people, the number, ballot title and financial estimates under ORS 250.125 of each measure shall be printed after the list of candidates. A measure referred by the Legislative Assembly shall be designated “Referred to the People by the Legislative Assembly.” A state measure referred by petition shall be designated “Referendum Order by Petition of the People.” A state measure proposed by initiative petition shall be designated “Proposed by Initiative Petition.”

(8) The ballot shall be printed to give the elector a clear opportunity to designate the elector’s choice or choices for candidates and approval or rejection of measures submitted.

(a) When an elector is allowed to make only one choice or answer and if a voting machine is not used, the elector shall indicate a preference by making a cross or check mark inside a voting square corresponding to the candidate or answer for which the elector wishes to vote. A voting square may be printed on the blank, write-in vote spaces. However, the elector is not required to place a mark in the voting square corresponding to a name written in a blank space. Words shall be printed on the ballot to aid the elector, such as “Vote for one,” “Vote for three,” and regarding measures, “Yes” and “No.”

(b) When a nomination for or an election to an office is determined by STAR voting as provided in section 3 of this 2021 Act, the ballot shall provide the elector with the ability to score from zero to five each of the candidates appearing on the ballot for the office. The Secretary of State by rule shall establish a statement to be printed on the ballot to inform the elector of how ballots will be tallied under section 3 of this 2021 Act.
