SUMMARY
The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Removes requirement that Oregon Volunteer Firefighters Association gather signatures in order to be eligible for individual income tax return checkoff contribution.
Applies to tax years beginning on or after January 1, 2021.
Takes effect on 91st day following adjournment sine die.

A BILL FOR AN ACT
Relating to listing the Oregon Volunteer Firefighters Association for donation by tax return checkoff; creating new provisions; amending ORS 305.729; and prescribing an effective date.
Whereas the Oregon Volunteer Firefighters Association provides a necessary public safety service in protecting the lives and personal and business property of Oregonians; and
Whereas Oregonians were impacted in 2020 by one of the worst fire seasons in Oregon's history; and
Whereas the Oregon Volunteer Firefighters Association is woefully underfunded to continue to provide public safety and fire protection efforts and needs additional resources to replenish and maintain volunteer fire departments; and
Whereas Oregon will continue to have annual fire seasons that will require properly equipped volunteer firefighters as part of a system of providing public safety, particularly in rural and underserved communities; and
Whereas the Oregon Volunteer Firefighters Association was given statutory authority by the Legislative Assembly in 2017 through the passage of Enrolled Senate Bill 378 to participate in the Oregon charitable tax return checkoff program, but has not been successful in raising the funds necessary to campaign to meet a requirement of gathering 10,000 signatures to participate; and
Whereas the inability to gather 10,000 signatures has resulted in being deprived of three tax years of opportunity to receive funding for the organization; and
Whereas unlike other charitable organizations that participate in the Oregon charitable tax return checkoff program, the Oregon Volunteer Firefighters Association is an integral part of the public safety infrastructure of our state, which protects all Oregonians; and
Whereas Enrolled Senate Bill 378 in the 2017 legislative session was sponsored by 87 bipartisan lawmakers and passed with unanimous support; and
Whereas the Legislative Assembly seeks to thank our volunteer firefighters for their courage in the 2020 fire season by allowing the public to make financial contributions to support the Oregon Volunteer Firefighters Association's efforts to keep communities safe by removing the 10,000 signature requirement for the association to participate in the Oregon charitable tax return checkoff program starting with the 2021 tax year; now, therefore,
Be It Enacted by the People of the State of Oregon:

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted.
