AN ACT

Relating to access to health care; creating new provisions; amending ORS 192.556, 413.201, 413.225, 414.231 and 414.578; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 414.231 is amended to read:

1414.231. (1) As used in this section:

(a) “Adult” means a person 19 years of age or older.
(b) “Child” means a person under 19 years of age.

(2) The Health Care for All Oregon Children program is established to make affordable, accessible health care available to all of Oregon’s children residents in this state. The program provides medical assistance to children, funded in whole or in part by Title XIX of the Social Security Act, by the State Children’s Health Insurance Program under Title XXI of the Social Security Act and by moneys appropriated or allocated for that purpose by the Legislative Assembly to supplement funds received under Titles XIX or XXI of the Social Security Act.

(3) A child is eligible for medical assistance under subsection (2) of this section if the child resides in this state and the income of the child’s family is at or below 300 percent of the federal poverty guidelines.

(4) An adult is eligible for medical assistance under subsection (2) of this section if the adult resides in this state and would be eligible for medical assistance but for the adult’s immigration status.

[[4][5]] (5) There is no asset limit to qualify for the program.

[[5][a]] (6)(a) A child receiving medical assistance through the Health Care for All Oregon Children program is continuously eligible for a minimum period of 12 months or until the child reaches 19 years of age, whichever comes first.

(6)(b) The Department of Human Services or the Oregon Health Authority shall reenroll a child for successive 12-month periods of enrollment as long as the child is eligible for medical assistance on the date of reenrollment and the child has not yet reached 19 years of age.

(c) A child may not be required to submit a new application as a condition of reenrollment under paragraph (b) of this subsection.

[[6][7]] (7) The department or the authority must determine the child’s eligibility for or reenrollment in medical assistance under this section using information and sources available to the department or the authority. If information and sources available to the department or the authority
are not adequate to verify [the child’s] eligibility, the department or the authority may require the [child] adult or [the] a child’s caretaker to provide additional documentation in accordance with ORS 411.400 and 411.402. Information requested or obtained by the department or the authority under this subsection is subject to the requirements of ORS 410.150 and 413.175.

SECTION 2, ORS 413.201 is amended to read:

413.201. (1) The Oregon Health Authority is responsible for statewide outreach, [and marketing of] education and engagement for the [Health Care for All Oregon Children] Cover All People program established in ORS 414.231 and administered by the authority with the goal of enrolling in the program all eligible [children] individuals residing in this state. The authority, in collaboration with the work group described in subsection (3) of this section, shall evaluate and implement the outreach, [and marketing] education and engagement strategies designed to most effectively encourage [the] enrollment [of children] in the program.

(2) To maximize the enrollment and retention of eligible [children] individuals in the [Health Care for All Oregon Children] Cover All People program, the authority shall develop and administer a grant program to provide funding for organizations and community based groups to deliver culturally specific and targeted outreach, [and direct] application assistance and navigation to:

(a) Members of racial, ethnic and language minority communities;
(b) Children and families living in geographic isolation; and
(c) Children and [family members] families with additional barriers to accessing health care, such as cognitive, mental health or sensory disorders, physical disabilities or chemical dependency[, and children experiencing] or homelessness.

(3) The authority shall convene a work group, consisting of individuals with experience in conducting outreach to the individuals described in subsection (2)(a) to (c) of this section, to advise and assist the authority in carrying out its duties under this section and in developing an implementation plan to ensure that community feedback is included from a health equity perspective.

SECTION 3, ORS 192.556 is amended to read:

SECTION 4. ORS 413.225 is amended to read:

ORS 413.225. (1) As used in this section:
(a) “Community health center or safety net clinic” means a nonprofit medical clinic or school-based health center that provides primary physical health, vision, dental or mental health services to low-income patients without charge or using a sliding scale based on the income of the patient.
(b) “School-based health center” means a health clinic that:
(A) Is located on the grounds of a school in a school district or on the grounds of a school operated by a federally recognized Indian tribe or tribal organization;
(B) Is organized through collaboration among schools, communities and health providers, including public health authorities;
(C) Is administered by a county, state, federal or private organization that ensures that certification requirements are met and provides project funding through grants, contracts, billing or other sources of funds;
(D) Is operated exclusively for the purpose of providing health services such as:
(i) Primary care;
(ii) Preventive health care;
(iii) Management and monitoring of chronic health conditions;
(iv) Behavioral health care;
(v) Oral health care;
(vi) Health education services; and
(vii) The administration of vaccines recommended by the Centers for Disease Control and Prevention;
(E) Provides health services to children and adolescents by licensed or certified health professionals; and
(F) May provide one or more health services to children and adolescents by:
(i) A student enrolled in a professional medical, nursing or dental program at an accredited university if the health service is within the student’s field of study and training; or
(ii) An expanded practice dental hygienist holding a permit issued under ORS 680.200 for oral health care.

(2)(a) The Oregon Health Authority shall award grants to community health centers or safety net clinics, including school-based health centers, to ensure the capacity of each grantee to provide health care services to underserved or vulnerable populations.

(b) The authority shall work with the Centers for Medicare and Medicaid Services and stakeholders to identify additional sources of funding for school-based health center expenditures for which federal financial participation is available under Title XIX or Title XXI of the Social Security Act.

(3) The authority shall provide outreach for the [Health Care for All Oregon Children] Cover All People program, including development and administration of an application assistance program, and including grants to provide funding to organizations and local groups for outreach and enroll-
ment activities for the program, within the limits of funds provided by the Legislative Assembly for this purpose.

4) The authority shall, using funds allocated by the Legislative Assembly:
   (a) Provide funds for the expansion and continuation of school-based health centers that are operating on July 29, 2013, and that become certified under ORS 413.223;
   (b) Direct funds to communities with certified school-based health centers and to communities planning for certified school-based health centers; and
   (c) Create a pool of funds available to provide financial incentives to:
       (A) Increase the number of school-based health centers identified as patient centered primary care homes without requiring school-based health centers to be identified as patient centered primary care homes;
       (B) Improve the coordination of the care of patients served by coordinated care organizations and school-based health centers; and
       (C) Improve the effectiveness of the delivery of health services through school-based health centers to children who qualify for medical assistance.

5) The authority shall by rule adopt criteria for awarding grants and providing funds in accordance with this section.

6) The authority shall analyze and evaluate the implementation of the [Health Care for All Oregon Children] Cover All People program.

SECTION 5. ORS 414.578 is amended to read:

414.578. (1) A community health improvement plan adopted by a coordinated care organization and its community advisory council in accordance with ORS 414.577 shall include a component for addressing the health of children and youth in the areas served by the coordinated care organization including, to the extent practicable, a strategy and a plan for:
   (a) Working with programs developed by the Early Learning Council, Early Learning Hubs, the Youth Development Council and the school health providers in the region; and
   (b) Coordinating the effective and efficient delivery of health care to children and adolescents in the community.

(2) A community health improvement plan must be based on research, including research into adverse childhood experiences, and must identify funding sources and additional funding necessary to address the health needs of children and adolescents in the community and to meet the goals of the plan. The plan must also:
   (a) Evaluate the adequacy of the existing school-based health resources including school-based health centers and school nurses to meet the specific pediatric and adolescent health care needs in the community;
   (b) Make recommendations to improve the school-based health center and school nurse system, including the addition or improvement of electronic medical records and billing systems;
   (c) Take into consideration whether integration of school-based health centers with the larger health system or system of community clinics would further advance the goals of the plan;
   (d) Improve the integration of all services provided to meet the needs of children, adolescents and families;
   (e) Focus on primary care, behavioral health and oral health; and
   (f) Address promotion of health and prevention and early intervention in the treatment of children and adolescents.

(3) A coordinated care organization shall involve in the development of its community health improvement plan, school-based health centers, school nurses, school mental health providers and individuals representing:
   (a) Programs developed by the Early Learning Council and Early Learning Hubs;
   (b) Programs developed by the Youth Development Council in the region;
   (c) The Healthy Start Family Support Services program in the region;
   (d) The [Health Care for All Oregon Children] Cover All People program and other medical assistance programs;
(e) Relief nurseries in the region;
(f) Community health centers;
(g) Oral health care providers;
(h) Community mental health providers;
(i) Administrators of county health department programs that offer preventive health services to children;
(j) Hospitals in the region; and
(k) Other appropriate child and adolescent health program administrators.

(4) The Oregon Health Authority may provide incentive grants to coordinated care organizations for the purpose of contracting with individuals or organizations to help coordinate integration strategies identified in the community health improvement plan adopted by the community advisory council. The authority may also provide funds to coordinated care organizations to improve systems of services that will promote the implementation of the plan.

(5) Each coordinated care organization shall report to the authority, in the form and manner prescribed by the authority, on the progress of the integration strategies and implementation of the plan for working with the programs developed by the Early Learning Council, Early Learning Hubs, the Youth Development Council and school health care providers in the region, as part of the development and implementation of the community health improvement plan. The authority shall compile the information biennially and report the information to the Legislative Assembly by December 31 of each even-numbered year.

SECTION 6. (1) The Oregon Health Authority, in collaboration with the Department of Consumer and Business Services if necessary, shall seek any federal approval or waivers of federal requirements necessary to maximize federal financial participation in the costs of providing medical assistance to adults in the Cover All People program established in ORS 414.231.

(2) Implementation of the amendments to ORS 414.231 by section 1 of this 2021 Act is not contingent upon federal approval or waivers described in subsection (1) of this section.

SECTION 7. If necessary to stay within the moneys appropriated to the Oregon Health Authority under section 11 of this 2021 Act, the authority may, based on recommendations of the work group described in ORS 413.201 (3), restrict eligibility under ORS 414.231 (4) to specific categories or groups of individuals based on criteria adopted by the authority by rule.

SECTION 8. The Oregon Health Authority shall report to the 2023 regular session of the Legislative Assembly, in the manner described in ORS 192.245, on the implementation of the amendments to ORS 413.201 and 414.231 by sections 1 and 2 of this 2021 Act.

SECTION 9. (1) The amendments to ORS 413.201 by section 2 of this 2021 Act become operative on November 1, 2021.

(2) The amendments to ORS 192.556, 413.225, 414.231 and 414.578 by sections 1 and 3 to 5 of this 2021 Act become operative on July 1, 2022.

(3) The Oregon Health Authority shall take all steps prior to the operative dates specified in this section that are necessary to carry out the amendments to:
   (a) ORS 413.201 by section 2 of this 2021 Act on and after November 1, 2021; and
   (b) ORS 192.556, 413.225, 414.231 and 414.578 by sections 1 and 3 to 5 of this 2021 Act on and after July 1, 2022.

SECTION 10. Section 7 of this 2021 Act is repealed on June 30, 2023.

SECTION 11. In addition to and not in lieu of any other appropriation, there is appropriated to the Oregon Health Authority, for the biennium beginning July 1, 2021, out of the General Fund, the amount of $100,000,000, which may be expended for carrying out the amendments to ORS 413.201 and 414.231 by sections 1 and 2 of this 2021 Act.

SECTION 12. This 2021 Act takes effect on the 91st day after the date on which the 2021 regular session of the Eighty-first Legislative Assembly adjourns sine die.
Enrolled House Bill 3352 (HB 3352-B)
