Except as otherwise provided in ORS 238.640, the term of each member shall be three years. The Governor shall designate one member to serve as chairperson, who shall serve as chairperson at the pleasure of the Governor.

(2) The board shall have:

(a) The powers and privileges of a corporation, including the right to sue and be sued in its own name as such board; and

(b) The power and duty, subject to the limitations of this chapter and ORS chapter 238A, of managing the system.

(3) The board:

(a) Shall arrange for actuarial service for the system;

(b) Shall employ a director;

(c) Shall create such other positions as it deems necessary to sound and economical administration of the system, which positions the director shall fill by appointment;

(d) Shall, with the approval of the Director of the Oregon Department of Administrative Services, and as otherwise provided by law, fix the salaries of all persons employed for purposes of administering the system;

(e) Shall publish and distribute to all employer and employee members of the system an annual report including a summary of investments of moneys in the fund, investment earnings, significant legislative or administrative changes in the system and other pertinent information on the operation of the system for the preceding year;

(f) Shall determine the actuarial equivalency of optional forms of retirement allowances and pensions and adopt for that purpose the necessary actuarial equivalency factor tables in the manner provided by ORS 238.607, which shall constitute a part of the system; and

(g) Shall adopt rules and take all actions necessary to maintain qualification of the Public Em-
employees Retirement System and the Public Employees Retirement Fund as a qualified governmental
retirement plan and trust under the Internal Revenue Code and under regulations adopted pursuant

Retirement System and Public Employees Retirement Fund under the Internal Revenue Code as a
governmental retirement plan and trust.

(5) The board shall identify by rule those records that must be maintained by participating
