House Joint Resolution 7

Sponsored by Representative DRAZAN; Representatives BONHAM, BOSHART DAVIS, NEARMAN, OWENS, RESCHKE, ZIKA (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Proposes amendment to Oregon Constitution establishing Citizens Redistricting Commission to adopt redistricting maps for Senate, House of Representatives and United States Congress. Refers proposed amendment to people for their approval or rejection at next general election.

JOINT RESOLUTION

Whereas election day is when Oregonians exercise their right to vote and make their voices heard, and the people of Oregon need an independent commission to draw fair and impartial districts so that every vote matters; and

Whereas under current law, Oregon politicians draw the boundaries for their own state legislative and congressional districts, a serious conflict of interest that harms voters; and

Whereas state and national level districting and redistricting rules should be determined by a politically neutral entity; and

Whereas Oregon state legislators draw district boundary maps every 10 years based on national census data; and

Whereas in the 2020 census, Oregon is projected to gain another congressional seat due to population growth, making fair districts more important than ever; and

Whereas 96.3 percent of incumbent politicians were reelected in election after election in the districts they had drawn for themselves; and

Whereas current law allows politicians to draw districts to serve their own interests, not those of our communities, dividing places like Clackamas County, Salem and Eugene into multiple oddly shaped districts to protect incumbent legislators; and

Whereas the people of Oregon in many communities have no political voice because they have been split into as many as four different districts to protect incumbent legislators; and

Whereas the people of Oregon believe in fairness, accountability and transparency in political processes; and

Whereas fully one in three Oregonians are not registered with either the Democratic or Republican parties, and have no representation in the Legislative Assembly or United States Congress; and

Whereas Oregon legislative and congressional districts should be drawn to represent voters from all party affiliations, income levels, backgrounds, identities and corners of this state; and

Whereas voters across the country, in states such as Arizona, California, Colorado and Michigan, have been moving to reject partisan gerrymandering, adopting reforms to make the redistricting process open and impartial so it is controlled by people, not partisan politicians; and

Whereas an independent Citizens Redistricting Commission in Oregon would provide greater

opportunity for underrepresented communities such as low-income Oregonians, persons of color, rural Oregonians and seniors to have a voice in their own representation; and

Whereas the people of Oregon find it necessary to create an independent Citizens Redistricting Commission to draw the state legislative and congressional districts in an impartial and fully transparent manner that will promote inclusion and representation of all Oregonians; and

Whereas the people of Oregon find it necessary to reform Oregon’s congressional redistricting process to account for the projected addition of a new sixth congressional seat with a fair, open, multipartisan commission to draw districts that represent all voters; and

Whereas the people of Oregon find it necessary to give otherwise-affiliated voters whose voices are underrepresented in the Legislative Assembly and United States Congress an equal voice and vote on the commission alongside registered Democrats and Republicans; and

Whereas the people of Oregon find it necessary to require the independent Citizens Redistricting Commission to draw state legislative and congressional districts based on strict, nonpartisan rules designed to ensure fair representation, to propose reform that will take redistricting out of the partisan battles of the Legislative Assembly and guarantee that redistricting is carried out by a group of impartial Oregonians in open public meetings without favor to incumbents or parties, and to open every aspect of this process to scrutiny by the public and the press; and

Whereas the people of Oregon find it necessary to create an independent Citizens Redistricting Commission because we believe Oregon voters should choose their representatives and representatives should not choose their voters; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

PARAGRAPH 1. The Constitution of the State of Oregon is amended by repealing sections 6 and 7, Article IV, and by adopting the following new sections 6 and 7 in lieu thereof:

(8) The Governor may remove a member of the commission in the event of a substantial neglect of duty or gross misconduct in office, or if a commission member is unable to discharge the duties of the office.

(a) To remove a member, the Governor must:

(A) Serve the member with written notice;

(B) Provide the member with an opportunity to respond; and

(C) Obtain concurring votes from two-thirds of the members of the Senate, which shall convene in special session if necessary.

(b) The member may contest the removal by means of an evidentiary hearing in circuit court in an action in the manner of an action for a declaratory judgment. The circuit court’s determination shall take precedence over other matters before the circuit court. Any party may appeal the decision of the circuit court directly to the Supreme Court, which shall accord the highest priority to the matter.

(c) The removal, if contested by the member, shall not be effective until judicial review is concluded.

(9)(a) If a position among the first six randomly selected commissioners on the commission becomes vacant, the commission shall fill the vacancy within 30 days by randomly selecting an appointee from the same sub-pool from which the vacating member was selected. If a position among the final six appointed commissioners becomes vacant, the commission shall fill the vacancy within 30 days by a vote of a simple majority of the remaining commissioners, with at least one vote cast by a commission member registered with the largest political party in this state, one vote cast by a commission member registered with the second largest political party in this state and one vote cast by a commission member who is not registered with either of the two largest political parties in this state.

The amount determined under this subparagraph shall be rounded to the nearest $1,000.

In all future redistricting cycles, the appropriation may not be less than the amount appropriated in the previous redistricting cycle. If new expenditures are required, the dedicated funding source for the commission shall be the income tax. If, after the conclusion of any litigation involving the redistricting, the appropriations to the commission exceed the expenses of the commission, the commission shall return the excess to the General Fund.

(b) Make available to the commission a complete and accurate computerized database and precinct shapefiles for redistricting.

(13) Except for an Act appropriating moneys in a manner described in subsection (12) of this section, the Legislative Assembly may enact an Act that directly impacts the functioning of the commission only when:

(8) The provisions of this amendment supersede any section of this Constitution with which the provision may conflict. If any provision of this amendment is held to be invalid, the court shall sever the provision and the remaining provisions shall remain in full force and effect.

PARAGRAPH 2. The amendment proposed by this resolution shall be submitted to the people for their approval or rejection at the next regular general election held throughout this state.
