NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted.

New sections are in boldfaced type.

LC 2478
entered into under this section relates, the owner or person in possession or control of the solar
project shall file with the assessor of the county in which the solar project is located and the De-
partment of Revenue a copy of the agreement and the nameplate capacity of the solar project.

(b) For each subsequent property tax year to which the agreement relates, the owner or person
in possession or control of the solar project shall include with the statement required under ORS

\[308.505 to 308.674\], shall provide the nameplate capacity of each solar project paying the fee in lieu
of property taxes to each assessor of a county in which a solar project is located.

(b) As required under ORS 311.255, the county assessors shall extend upon the tax roll against
all property constituting a solar project located in the respective counties all fees in lieu of property
taxes for the property tax year. The fees shall be **apportioned and** distributed \[pursuant to the

(5)(a) If the owner or person in possession or control of a solar project that has entered into
an agreement under this section fails to pay the fee as required under this section, the property

(b) Notwithstanding paragraph (a) of this subsection, the property shall be exempt for the fol-

this section, notwithstanding the agreement, the property constituting the solar project shall be
disqualified for the exemption and payment of the fee in lieu of property taxes.

(b) Property that is disqualified under this subsection shall:

(A) Be assessed and taxed as other similar property is assessed and taxed.

(B) In addition, be assessed a penalty in an amount equal to one year of the fee in lieu of

was the subject of an application filed pursuant to ORS 285C.350 to 285C.370 if the property did not
receive the exemption for any property tax year. The election to pay the fee in lieu of property
