viewed committed an act that, if committed by an adult, would constitute a misdemeanor or a felony.

(b) A custodial interview anywhere outside of a law enforcement facility that is conducted by
a peace officer, a school resource officer or a special campus security officer shall be electronically
recorded if:

(B) A video camera is worn upon the officer's person.

(2) Subsection (1) of this section does not apply to:

(a) A statement made before a grand jury;

(b) A statement made on the record in open court;

(c) A custodial interview conducted in another state in compliance with the laws of that state;

(3)(a) If the state offers an unrecorded statement made under the circumstances described in
subsection (1) of this section in a criminal proceeding alleging the commission of a misdemeanor or
a felony, or an allegation that a person being interviewed committed an act that, if committed by
an adult, would constitute a misdemeanor or a felony, and the state is unable to demonstrate, by a
preponderance of the evidence, that an exception described in subsection (2) of this section applies,
upon the request of the defendant, the court shall instruct the jury regarding the legal requirement
described in subsection (1) of this section and the superior reliability of electronic recordings when
compared with testimony about what was said and done.

(b) The court may not exclude the defendant's statement or dismiss criminal charges as a result

the statement.

(5) A law enforcement agency that creates an electronic recording of a custodial interview shall
preserve the recording until the defendant's conviction or youth's adjudication for the offense is

the state is not required to provide the defendant or youth with a transcript of the contents of the
custodial interview. Unless the court orders otherwise, the defendant's or youth's attorney may not
copy, disseminate or republish the electronic copy of the custodial interview, except to provide a
copy to an agent of the defendant's or youth's attorney for the limited purpose of case preparation.

is certified as containing a complete recording, or a complete transcription, of the entirety of the

interview, is admissible in any preadjudication or post-adjudication hearing for the purpose of es-
ablishing the contents of a statement made in the recording and the identity of the person who
made the statement, if the statement is otherwise admissible. A certification that complies with this
subsection satisfies the requirements of ORS 40.505 and 132.320 for the recording or transcription.

The policy must describe the circumstances under which the district school board may enter into contracts with licensed mental health professionals to perform any evaluations required under this subparagraph.

(5) In establishing and enforcing discipline, suspension and expulsion policies, a district school board shall ensure that the policy is designed to:

(a) Protect students and school employees from harm;

(b) Provide opportunities for students to learn from their mistakes;

(c) Foster positive learning communities;

(d) Keep students in school and attending class;

(e) Impose disciplinary sanctions without bias against students from a protected class, as defined in ORS 339.351;

(f) Implement a graduated set of age-appropriate responses to misconduct that are fair, nondiscriminatory and proportionate in relation to each student’s individual conduct;

(g) Employ a range of strategies for prevention, intervention and discipline that take into account a student’s developmental capacities and that are proportionate to the degree and severity of the student’s misbehavior;

(h) Propose, prior to a student’s expulsion or leaving school, alternative programs of instruction or instruction combined with counseling for the student that are appropriate and accessible to the student in the following circumstances:

(A) Following a second or subsequent occurrence within any three-year period of a severe disciplinary problem with the student; or

(B) When a parent or legal guardian applies for the student’s exemption from compulsory attendance on a semiannual basis as provided in ORS 339.030 (2);

(i) To the extent practicable, use approaches that are shown through research to be effective in reducing student misbehavior and promoting safe and productive social behavior; and

(6) Except for policies adopted under subsection (7) of this section, any policies adopted under this section must provide for the dissemination of information about alternative programs of instruction or instruction combined with counseling, as described in subsection (5)(h) of this section, in writing to the student and the parent, legal guardian or person in parental relationship with the student at least once every six months, unless the information has changed because of the availability of new programs.

(7) Each district school board shall adopt a written policy involving firearms, as defined in 18 U.S.C. 921. The policy shall:

(a) Require expulsion from school for a period of not less than one year of any student who is determined to have:

(A) Brought a firearm to a school, to school property under the jurisdiction of the school district or to an activity under the jurisdiction of the school district;

(c) Allow a superintendent of a school district to:

(A) Modify the expulsion requirement for a student on a case-by-case basis.

(B) Propose alternative programs of instruction or instruction combined with counseling for a student that are appropriate and accessible to the student. If alternative programs are appropriate for a student, the superintendent shall ensure that information about programs of instruction or instruction combined with counseling is provided in writing to the student and the parent, legal guardian or person in parental relationship with the student at least once every six months, or at any time the information changes because of the availability of new programs.

(d) Require a referral to the appropriate law enforcement agency of any student who is expelled under this subsection.

(e) Require an annual reporting to the Department of Education of the name of each school that had an expulsion under this subsection and the number of students expelled from each school.

(8) Each district school board shall adopt and disseminate written policies for the use of physical force upon a student. (b) As used in this subsection:

(A) “Corporal punishment” means the willful infliction of, or willfully causing the infliction of, physical pain on a student.
