Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 181A.195 is amended to read:
181A.195. (1) As used in this section:
(a) “Authorized agency” means state government as defined in ORS 174.111 and the Oregon State Bar. “Authorized agency” does not include:
(A) The Oregon State Lottery Commission or the Oregon State Lottery; or
(B) A criminal justice agency, as defined in ORS 181A.010, that is authorized by federal law to receive fingerprint-based criminal records checks from the Federal Bureau of Investigation.
(b) “Subject individual” means a person from whom an authorized agency may require fingerprints pursuant to statute for the purpose of enabling the authorized agency to request a state or nationwide criminal records check.
(2)(a) An authorized agency may request that the Department of State Police conduct a criminal records check on a subject individual for non-criminal justice purposes.
(b) A criminal records check under this subsection must, if requested by the authorized agency, include a name-based check of the national sex offender registry maintained by the National Crime Information Center.
(c) If a nationwide criminal records check of a subject individual is necessary, the authorized agency may request that the Department of State Police conduct the check, including fingerprint identification, through the Federal Bureau of Investigation.
(3) The Department of State Police shall provide the results of a criminal records check conducted pursuant to subsection (2) of this section to the authorized agency requesting the check.
(4) The Federal Bureau of Investigation shall return or destroy the fingerprint cards used to conduct the criminal records check and may not keep any record of the fingerprints, except that the Federal Bureau of Investigation may retain the fingerprint cards and records of the fingerprints for purposes described in ORS 181A.205. If the federal bureau policy authorizing return or destruction of the fingerprint cards is changed, the Department of State Police shall cease to send the cards to the federal bureau but shall continue to process the information through other available resources.
(5) If the Federal Bureau of Investigation returns the fingerprint cards to the Department of State Police, the Department of State Police shall destroy the fingerprint cards and may not retain facsimiles or other material from which a fingerprint can be reproduced, except that the Department
of State Police may retain the fingerprint cards or create facsimiles for the purpose of providing information under ORS 181A.205.

(6) If only a state criminal records check is conducted, after the criminal records check is completed, the Department of State Police shall destroy the fingerprint cards and the results of the criminal records check provided to the authorized agency and may not retain facsimiles or other material from which a fingerprint can be reproduced, except that the Department of State Police may retain the fingerprint cards and results or create facsimiles for the purpose of providing information under ORS 181A.205.

(7) An authorized agency may conduct criminal records checks on subject individuals through the Law Enforcement Data System maintained by the Department of State Police in accordance with rules adopted, and procedures established, by the Department of State Police.

(8) An authorized agency and the Department of State Police shall permit a subject individual for whom a fingerprint-based criminal records check was conducted to inspect the individual’s own state and national criminal offender records and, if requested by the subject individual, provide the individual with a copy of the individual’s own state and national criminal offender records.

(9) Each authorized agency, in consultation with the Department of State Police, may adopt rules to implement this section and other statutes relating to criminal offender information obtained through fingerprint-based criminal records checks. The rules may include but need not be limited to:
