Senate Bill 288

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Governor Kate Brown for Office of the Governor)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor’s brief statement of the essential features of the measure as introduced.

Directs Department of State Police to expand existing interagency coordination efforts for responding to emergencies to include community-based and faith-based organizations that provide emergency response services to specified communities. Directs city, county and tribal emergency management agencies to expand emergency management planning activities to enhance emergency and disaster response to specified communities.

Expands definition of “qualified emergency service volunteer” who qualifies for indemnification under Oregon Tort Claims Act and workers’ compensation benefits. Requires registered emergency health care providers who provide out-of-state service to party state under Emergency Management Assistance Compact to be considered Oregon Health Authority officers or employees for liability purposes under compact.

Expands membership of Oregon Homeland Security Council to include State Resilience Officer.

Expands duties of State Resilience Officer.

Requires Office of Emergency Management to conduct outreach program to specified types of organizations to facilitate enhancement of volunteer capabilities to provide emergency services. Requires Housing and Community Services Department to establish grant program to provide funding to nonprofit health and community organization for planning, equipment and training on resiliency during and after disaster and hazard occurrences. Appropriates moneys to fund programs.

Establishes Unreinforced Masonry Seismic Safety Program in Oregon Business Development Department to issue grants for improving seismic safety, stability and resiliency of qualifying unreinforced masonry and unreinforced concrete buildings. Specifies limits and conditions for grants. Establishes fund for grant program. Authorizes issuance of lottery bonds during biennium ending June 30, 2023, to finance program. Requires department to report to interim committee of Legislative Assembly no later than September 15, 2023, regarding operation of grant program.

Takes effect on 91st day following adjournment sine die.

A BILL FOR AN ACT

Relating to improving resilience in responding to disasters; creating new provisions; amending ORS 401.094, 401.109, 401.305, 401.358, 401.368, 401.667 and 401.913; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 401.094 is amended to read:

   401.094. (1)(a) The Department of State Police shall maintain a system for the notification and interagency coordination of state resources in response to emergencies involving multijurisdictional cooperation between the various levels of government, [and] private business entities, community-based organizations and faith-based organizations. Multijurisdictional cooperation developed under this paragraph must include organizations that represent black, indigenous and people of color (BIPOC) communities, individuals of Middle Eastern descent, members of lesbian, gay, bisexual, transgender, queer or questioning (LGBTQ) communities, immigrants, refugees, members of tribal communities and persons with disabilities.

   (b) The department shall provide the Office of Emergency Management with a service level agreement that describes the continued daily operations and maintenance of the system, the services and supplies needed to maintain the system 24 hours a day, every day of the year, and the policies and procedures that support the overall notification system.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

LC 471
(2) The notification system shall be managed by the Office of Emergency Management as a continuously available communications network and a component of the state’s emergency operations center.

(3) The notification system shall be the primary point of contact by which any public agency provides the state notification of an emergency or disaster, or requests access to state and federal resources.

(4) Each department of state government, and those agencies of state government identified in the statewide emergency management plan prepared under ORS 401.052 as having emergency service or administrative responsibilities, shall appoint an emergency management coordinator as their representative to work with the Office of Emergency Management on the development and implementation of emergency plans and procedures.

(5) The Office of Emergency Management shall adopt rules relating to the planning, administration and operation of the notification system maintained under this section.

SECTION 2. ORS 401.305 is amended to read:

401.305. (1) As used in this section, “tribal government” means a federally recognized sovereign tribal government operating within the borders of this state or an intertribal organization formed by two or more federally recognized sovereign tribal governments operating within this state.

(2) Each county of this state shall, and each city or tribal government may, establish an emergency management agency that is directly responsible to the executive officer or governing body of the county, city or tribe.

(3) The executive officer or governing body of each county, and any city or tribe that participates, shall appoint an emergency program manager who is responsible for the organization, administration and operation of the emergency management agency, subject to the direction and control of the county, city or tribe.

(4) When a city or tribal government has an emergency management agency, the city or tribal government, as applicable, and the counties within which the city or tribal government operates shall jointly establish policies that:

(a) Provide direction and identify and define the purpose and roles of the individual emergency management programs;

(b) Specify the responsibilities of the emergency program managers and staff; and

(c) Establish lines of communication, succession and authority of elected officials for an effective and efficient response to emergency conditions.

(5) Each emergency management agency shall perform emergency program management functions within the territorial limits of the county, city or tribal government and may perform the functions outside the territorial limits as required under any mutual aid or cooperative assistance agreement or as requested and authorized by the county, [or] city or tribal government in whose territorial limits the emergency functions are performed.

(6) The emergency management functions include, at a minimum:

(a) Coordination of the planning activities necessary to prepare and maintain a current emergency operations plan, management and maintenance of emergency operating facilities from which elected and appointed officials can direct emergency and disaster response activities, including planning activities designed to enhance emergency and disaster response activities for black, indigenous and people of color (BIPOC) communities, individuals of Middle Eastern descent, members of lesbian, gay, bisexual, transgender, queer or questioning (LGBTQ) communities, immigrants, refugees, persons with disabilities and members of tribal communities, whether
within or outside of tribal governments;

(b) Establishment of an incident command structure for management of a coordinated response by all local emergency service agencies; and

(c) Coordination with the Office of Emergency Management to integrate effective practices in emergency preparedness and response as provided in the National Incident Management System established by the Homeland Security Presidential Directive 5 of February 28, 2003.

SECTION 3. ORS 401.358 is amended to read:

ORS 401.358. As used in ORS 401.358 to 401.368:

(1) “Emergency service activities” means:

(a) The provision of emergency services; and

(b) Engaging in training under the direction of a public body, whether by reason of the training being conducted or approved by a public body, for the purpose of preparing qualified emergency service volunteers to perform emergency services.

(2) “Qualified emergency service volunteer” means a person who is:

(a) Registered with the Office of Emergency Management or other public body to perform emergency service activities;

(b) Acknowledged in writing as a qualified emergency service volunteer, at the time the person offers to volunteer during an emergency, by the Office of Emergency Management or by another public body;

(c) A member of the Oregon Civil Defense Force; or

(d) A building evaluator certified under the Oregon Safety Assessment Program established under ORS 401.256; or

(e) Any other volunteer from a nonprofit organization who is providing emergency service activities at the direction of a public body or at the direction of a community-based or faith-based organization that represents black, indigenous and people of color (BIPOC) communities, individuals of Middle Eastern descent, members of lesbian, gay, bisexual, transgender, queer or questioning (LGBTQ) communities, immigrants, refugees, members of tribal communities and persons with disabilities.

SECTION 4. ORS 401.368 is amended to read:

ORS 401.368. (1) Except as provided in subsection (2) of this section, the Office of Emergency Management shall provide workers’ compensation coverage for qualified emergency service volunteers who are injured in the course and scope of performing emergency service activities under the direction of a public body if the injury occurs:

(a) While the volunteer is performing emergency service activities under the direction of the public body during a state of emergency declared under this chapter, or during a state of public health emergency proclaimed under ORS 433.441; or

(b) While the volunteer is engaged in training being conducted or approved by a public body for the purpose of preparing the volunteer to perform emergency services.

(2) The Oregon Health Authority shall provide workers’ compensation coverage for emergency health care providers registered under ORS 401.654 who are injured while performing emergency service activities under the direction of the authority and within the course and scope of that direction:

(a) During a state of emergency declared under ORS 401.165;

(b) During a state of public health emergency declared under ORS 433.441;

(c) While rendering assistance pursuant to a request pursuant to the Emergency Man-
agement Assistance Compact adopted under ORS 402.105 or the Pacific Northwest Emer-

ceny Management Arrangement adopted under ORS 402.250, including Annexes A and B to

the Pacific Northwest Emergency Management Arrangement; or

(d) While engaged in training described in ORS 401.358 (1)(b) that is conducted or ap-

proved by the authority.

(2) (3) Workers’ compensation coverage shall be provided under this section in the manner

provided by ORS 656.039.

SECTION 5. ORS 401.667 is amended to read:

401.667. (1) If the Governor declares a state of emergency under ORS 401.165, or proclaims a

state of public health emergency under ORS 433.441, emergency health care providers registered

under ORS 401.654 and other health care providers who volunteer to perform health care services

under ORS 401.651 to 401.670 are agents of the state under ORS 30.260 to 30.300 for the purposes

of any claims arising out of services that are provided under ORS 401.651 to 401.670 pursuant to

directions from a public body and that are within the course and scope of the health care provider’s

duties, without regard to whether the health care provider is compensated for the services.

(2) If the Governor declares a state of emergency under ORS 401.165, or proclaims a state of

public health emergency under ORS 433.441, health care facilities designated under ORS 401.657 and

other persons operating emergency health care centers designated under ORS 401.657 are agents of

the state under ORS 30.260 to 30.300 for the purposes of any claims arising out of services that are

provided through those centers or facilities under ORS 401.651 to 401.670 pursuant to directions

from a public body and that are within the course and scope of the duties of the health care facility

or other person, without regard to whether the health care facility or other person is compensated

for the services.

(3) An emergency health care provider registered under ORS 401.654 participating in training

authorized by the Oregon Health Authority under ORS 401.651 to 401.670 is an agent of the state

under ORS 30.260 to 30.300 for the purposes of any claims arising out of that training.

(4) The provisions of subsection (2) of this section apply only to emergency health care centers

or health care facilities that have adopted emergency operations plans and credentialing plans that

govern the use of emergency health care providers registered under ORS 401.654 and other health

care providers who volunteer to perform health care services under ORS 401.651 to 401.670. An

emergency operations plan and a credentialing plan must comply with rules governing those plans

adopted by the authority.

(5) If the Governor receives a request for assistance from another party state to the

Emergency Management Assistance Compact adopted under ORS 402.105 and the Oregon

Health Authority directs an emergency health care provider registered under ORS 401.654 to

that state to render assistance, the emergency health care provider is considered an officer

or employee of the Oregon Health Authority for purposes of Article VI of the Emergency

Management Assistance Compact.

SECTION 6. ORS 401.109 is amended to read:

401.109. (1) The Oregon Homeland Security Council is created within the Office of Emergency

Management. The council shall:

(a) Receive briefings on security matters:

(A) For which the office is responsible at least annually from state agencies and organizations

as determined by the council; and

(B) Relating to catastrophic disasters declared by the Governor pursuant to Article X-A, section
1, of the Oregon Constitution, or states of emergency declared by the Governor pursuant to ORS 401.165.

(b) Advise state agencies with responsibility for security matters on the future direction of the office’s planning, preparedness, response and recovery activities.

(2) The membership of the council consists of:

(a) Four members from the Legislative Assembly appointed as follows:
(A) Two members from the Senate appointed by the President of the Senate; and  
(B) Two members from the House of Representatives appointed by the Speaker of the House of Representatives;

(b) The Governor;

(c) The Adjutant General;

d) The Superintendent of State Police;

(e) The Director of the Office of Emergency Management; [and]

(f) A representative of the Department of Justice appointed by the Attorney General; and

(g) The State Resilience Officer.

(3) Each member appointed to the council under subsection (2) of this section serves at the pleasure of the appointing authority. The membership of a public official ceases upon termination of the office held by the official at the time of appointment to the council.

(4) The Governor is the chairperson of the council.

(5) The Adjutant General is the vice chairperson of the council and serves as the chairperson in the absence of the Governor.

(6) Members of the council are not entitled to compensation under ORS 292.495. The director, in the director’s discretion, may reimburse members of the council as provided in ORS 292.495 for actual and necessary travel or other expenses incurred in the performance of their duties as members of the council.

SECTION 7. ORS 401.913 is amended to read:

401.913. (1) The office of State Resilience Officer is created in the office of the Governor. The office of State Resilience Officer shall direct, implement and coordinate seismic disaster and hazard safety and resilience goal setting and state agency planning and preparation to improve seismic disaster and hazard safety and resilience, including but not limited to planning and preparation for safety and resilience during and after earthquake, tsunami, wildfire, flooding and other natural or manmade events.

(2) The State Resilience Officer shall lead statewide mitigation efforts that address findings from the Oregon Resilience Plan.

(3) The State Resilience Officer shall lead executive branch agencies on continuity of operations planning and continuity of government planning training and exercises.

(4) The State Resilience Officer shall support government response to actual events as a member of the Governor’s disaster cabinet.

(5) The Governor shall appoint an individual to serve as the State Resilience Officer, subject to confirmation by the Senate pursuant to Article III, section 4, of the Oregon Constitution.

(6) The legislative branch of government and the judicial branch of government shall each select an individual to monitor the effectiveness of seismic disaster and hazard safety and resilience planning in their branch.

SECTION 8. Section 9 of this 2021 Act is added to and made a part of ORS 401.358 to 401.368.
SECTION 9. (1) The Office of Emergency Management shall establish an outreach program to work directly with nonprofit organizations that represents black, indigenous and people of color (BIPOC) communities, individuals of Middle Eastern descent, members of the lesbian, gay, bisexual, transgender, queer or questioning (LGBTQ) communities, immigrants, refugees, members of tribal communities and persons with disabilities, to facilitate enhancement of volunteer organization capabilities to provide emergency service activities.

(2) The office shall dedicate at least one full-time equivalent position to performing the duties described in subsection (1) of this section.

SECTION 10. In addition to and not in lieu of any other appropriation, there is appropriated to the Office of Emergency Management, for the biennium beginning July 1, 2021, out of the General Fund, the amount of $_______, which may be expended for the purpose of carrying out the provisions of section 9 of this 2021 Act.

SECTION 11. The Housing and Community Services Department, in consultation with the Oregon Health Authority, shall establish a grant program to provide funding to nonprofit health and community organizations to provide to nonprofit staff and volunteers all-hazard continuity of operations plan templates and preparedness equipment and training for building resiliency to support communities during and following disaster and hazard occurrences.

SECTION 12. In addition to and not in lieu of any other appropriation, there is appropriated to the Housing and Community Services Department, for the biennium beginning July 1, 2021, out of the General Fund, the amount of $_______, which may be expended for the purpose of carrying out the provisions of section 11 of this 2021 Act.

SECTION 13. (1) As used in this section:

(a)(A) “Eligible costs” means:

(i) Demolition, restoration of similar architectural finishes, work on electrical, plumbing and mechanical systems and other direct structural costs of seismic retrofitting; and

(ii) Architectural, engineering, project management, insurance, testing and other service costs related to seismic retrofitting.

(B) “Eligible costs” does not mean:

(i) Remodeling or refurbishing costs intended to enhance aesthetics, functionality or marketability without extending seismic life safety; or

(ii) Relocation costs or loss of rent during improvement of the seismic safety, stability or resiliency of an eligible property.

(b) “Eligible property” means improvements to real property:

(A) Constructed before January 1, 1993;

(B) Having exteriors constructed primarily of unreinforced masonry, unreinforced concrete or other building materials declared seismically dangerous by city or county ordinance or by a city or county governing body resolution; and

(C) Serving or having the capacity to serve as a facility providing food, shelter, health care or other necessary services during an emergency declared under ORS 401.165 or a public health emergency declared under ORS 433.441.

(2) The Oregon Business Development Department shall administer a program, to be known as the Unreinforced Masonry Seismic Safety Program, for the purpose of awarding grants on an annual competitive basis from the Oregon Unreinforced Masonry Seismic Safety Fund established under section 14 of this 2021 Act. The department shall award and disburse grants under the program for the purposes of:
(a) Improving, on a statewide basis, the seismic safety, stability and resiliency of eligible properties; and

(b) Promoting improvements in seismic safety, stability and resiliency that will lead to private investment, job creation or retention, the establishment or expansion of viable businesses or the creation of a stronger tax base.

(3) Applications for grants under the program described in subsection (2) of this section must state with specificity the proposed improvements to the seismic safety, stability and resiliency of the eligible property. The proposed improvements must be sufficient to meet or exceed the seismic performance level for eligible properties established by the department by rule.

(4) In awarding grants under the program, the department shall give priority to grants for:

(a) Eligible property owned by, or primarily benefitting, a nonprofit corporation as defined in ORS 65.001 that primarily serves members of black, indigenous and people of color (BIPOC) communities, individuals of Middle Eastern descent, members of lesbian, gay, bisexual, transgender, queer or questioning (LGBTQ) communities, immigrants, refugees, members of tribal communities and persons with disabilities; and

(b) Categories of eligible property identified by the department by rule.

(5) Subject to subsection (6) of this section, an annual grant awarded to an applicant under this section may not exceed the lesser of:

(a) Thirty-five percent of the total eligible costs expended on eligible properties; or

(b) $________ for each eligible property.

(6) The department shall reduce the grant for an eligible property by the amount of any tax credits or grants received from Oregon state government, as defined in ORS 174.111, in connection with the property. A grant under this section may not exceed the difference between the eligible cost and the total amount received to pay for the eligible cost from all other sources, such as tax credits or grants.

(7) The department shall adopt a formula for making grants under the program that reserves a minimum of 25 percent of available grant funds for projects outside of the Portland metropolitan area urban growth boundary.

(8) The department shall:

(a) Develop criteria for determining the eligibility of grant applicants and proposed projects;

(b) Provide project oversight and monitoring for grant recipients;

(c) Provide regular updates to other state agencies that have an interest in the carrying out of the program;

(d) Adopt rules for the purpose of carrying out the program; and

(e) Appoint an advisory group of individuals qualified to review grant applications, advise on the carrying out of the program and perform other program-related duties as determined by the department.

(9) The department shall require each grant recipient to file upon completion of the eligible project a sworn statement identifying the amounts and types of moneys received for the eligible project and the source of those moneys.

(10) In adopting rules under this section, the department may consult with other state agencies having an interest in the carrying out of the program.
SECTION 14. The Oregon Unreinforced Masonry Seismic Safety Fund is established in the State Treasury, separate and distinct from the General Fund. Interest earned by the Oregon Unreinforced Masonry Seismic Safety Fund shall be credited to the fund. Moneys in the fund are continuously appropriated to the Oregon Business Development Department for the purpose of carrying out the Unreinforced Masonry Seismic Safety Program described in section 13 of this 2021 Act. The fund shall consist of any moneys designated for deposit in the fund or for carrying out the program, including but not limited to appropriations or other provisions of moneys by the Legislative Assembly, bond proceeds and public or private moneys from gifts, grants or donations.

SECTION 15. (1) In addition to and not in lieu of bonds authorized pursuant to ORS 286A.035, for the biennium ending June 30, 2023, at the request of the Oregon Department of Administrative Services, after the department consults with the Oregon Business Development Department, the State Treasurer is authorized to issue lottery bonds pursuant to ORS 286A.560 to 286A.585 in an amount that produces $________ in net proceeds and interest earnings for the purposes described in subsection (2) of this section, plus an additional amount estimated by the State Treasurer to be necessary to pay bond-related costs.

(2) Net proceeds of lottery bonds issued under this section must be transferred to the Oregon Business Development Department for deposit in the Oregon Unreinforced Masonry Seismic Safety Fund established under section 14 of this 2021 Act.

(3) The Legislative Assembly finds that the use of lottery bond proceeds for the purpose of carrying out the Unreinforced Masonry Seismic Safety Program described in section 13 of this 2021 Act will create jobs, further economic development and enhance the economic vitality of Oregon communities, and is authorized based on the following findings:

(a) Masonry and concrete buildings are an integral part of the commercial, industrial and nonprofit infrastructure of this state. Unreinforced masonry and unreinforced concrete buildings pose a significant risk to that infrastructure in the event of an earthquake.

(b) Improvements to the seismic safety, stability and resiliency of unreinforced masonry and unreinforced concrete buildings will create jobs and promote economic development within this state.

SECTION 16. The Oregon Business Development Department shall report regarding the Unreinforced Masonry Seismic Safety Program to an interim committee of the Legislative Assembly relating to emergency preparedness, in the manner provided by ORS 192.245, no later than September 15, 2023. The report shall include, but need not be limited to, information concerning applications received and grants issued under the program and concerning the distribution of applications and grants between the Portland metropolitan area urban growth boundary and the rest of this state.

SECTION 17. This 2021 Act takes effect on the 91st day after the date on which the 2021 regular session of the Eighty-first Legislative Assembly adjourns sine die.
