Senate Bill 328
Sponsored by Senators DEMBROW, FREDERICK (Presession filed.)

SUMMARY
The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Prescribes requirements for annual school district and school performance reports, including requirement for inclusion of data related to suspensions and expulsions.

A BILL FOR AN ACT
Relating to annual reports related to schools; amending ORS 329.105.

Be It Enacted by the People of the State of Oregon:
SECTION 1. ORS 329.105 is amended to read:
329.105. (1) The Superintendent of Public Instruction shall collect data and produce annual school district and school performance reports [to provide information to parents and to improve schools]. For the purposes of providing information to parents and improving schools, the reports must be made available in a format in which data can be sorted and in which school districts and schools can be compared with one another.

(2) The superintendent shall include in the school district and school performance reports data for the following areas, for each school or district, that are available to the Department of Education from the most recent school year:
(a) Data required by the federal Every Student Succeeds Act (P.L. 114-95, 129 Stat. 1802);
(b) Information about how to access the website that is maintained by the State Department of Geology and Mineral Industries as provided by ORS 516.030 (6)(b);
(c) Information related to the number of children served in the district and the number of children who are susceptible to restrictive disease, as reported under ORS 433.269 (2)(a); and
(d) Data on suspensions and expulsions, including demographic data based on grade, race, ethnicity, gender, disability status and status as economically disadvantaged, unless the demographic data would reveal personally identifiable information about an individual student.

The demographic data must be made available as percentages for each demographic group as compared to total percentages for the school district or school.

[(d)] (e) Any other data identified by the Department of Education as required by federal law to be in the reports.

(3) In addition to the data required by subsection (2) of this section, the superintendent may include other data on the school district and school performance reports.

(4) The department shall work with stakeholders to:
(a) Design and implement an accountability system of progressive interventions for schools and school districts that do not demonstrate improvement; and
(b) Provide technical assistance to schools and school districts that do not demonstrate improvement.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted.
New sections are in boldfaced type.
