(1) A member of the Legislative Assembly shall receive for services an annual salary that equals [one step below the maximum step of Salary Range 1 in the Management Service Compensation Plan in the executive department as defined in ORS 174.112] the estimated average income for individual residents of Oregon, as determined under section 2 of this 2021 Act.

(2) The President of the Senate and the Speaker of the House of Representatives each shall receive for services, as additional salary, an amount equal to the salary allowed each of them as a member under subsection (1) of this section.

(3) A member of the Legislative Assembly shall receive, as an allowance for expenses not otherwise provided for, a per diem determined as provided in subsection (9) of this section for each day within the period that the Legislative Assembly is in session, to be paid with the salary provided for in subsection (1) of this section. Pursuant to procedures determined by the Legislative Administration Committee, a member may draw from an accrued allowance.

(4) A member of the Legislative Assembly shall receive, as an allowance for expenses incurred in the performance of official duties during periods when the legislature is not in session, $400 for each calendar month or part of a calendar month during those periods, to be paid monthly, and subject to approval of the President of the Senate or Speaker of the House of Representatives, mileage expenses and a per diem determined as provided in subsection (9) of this section for each day a member is engaged in the business of legislative interim and statutory committees, including advisory committees and subcommittees of advisory committees, and task forces and for each day a member serves on interstate bodies, advisory committees and other entities on which the member serves ex officio, whether or not the entity is a legislative one.

(7) Amounts received under subsections (3) to (5) of this section are excluded from gross income and expenditures of the amounts are excluded in computing deductions for purposes of ORS chapter 316. If there is attached to the personal income return a schedule of all ordinary and necessary business expenses paid during the tax year as a member of the Legislative Assembly, a deduction may be claimed on the return for legislative expenses paid in excess of the amounts received under subsections (3) to (5) of this section. The amount allocated to a member under this subsection must be adjusted based on the geographic area of the member’s district to reflect travel expenses necessary to communicate in the district.

The officer shall report the estimate to the President of the Senate, the Speaker of the House of Representatives and the Legislative Fiscal Officer. The estimate shall serve as the basis for the annual salary of members of the Legislative Assembly for the biennium commencing July 1 following the date the estimate is made by the officer.
