SECTION 2. (1) The governing body of a county may enact an ordinance establishing registration fees for sailboats 12 feet in length or more and for all motorboats registered at a residence or business address within the county.

(2) The authority granted under this section allows the establishment of registration fees in addition to those described in ORS 830.790 (1)(a).

(3) There is no authority granted under this section to affect registration periods, qualifications or any other provision relating to registration under this chapter.

(4) Any registration fee established by a county under this section must be a fixed amount not to exceed the registration fee established under ORS 830.790 (1)(a).

(5) The governing body of a county establishing registration fees under this section shall enter into an intergovernmental agreement under ORS 190.010 with the State Marine Board by which the board shall collect the registration fees and pay them over to the county. The intergovernmental agreement must state the date on which the board shall begin collecting registration fees for the county.

(6) Moneys from registration fees established under this section must be paid to the county establishing the registration fees as provided in ORS 830.140.

(7) The county shall use the moneys received to dispose of derelict vessels.

(8) The board shall provide by rule for the administration of laws authorizing county registration fees and for the collection and distribution of those fees.

830.790. (1) The biennial fee for the original or renewal certificate of number or registration is:

(a) $5 plus $5.95 per foot, or portion thereof, for all sailboats 12 feet in length or more and for all motorboats.

Notwithstanding subsection (1) of this section, no fee is required for boats owned by eleemosynary organizations which are operated primarily as a part of organized activities for the purpose of teaching youths scoutcraft, camping, seamanship, self-reliance, patriotism, courage and kindred virtues.

(3) Except for the assessment referred to in subsection (1)(b) of this section, the fees provided by this section are in lieu of any other tax or license fee.

(4) The operator of a boat livery holding five or more boats ready for hire may pay a biennial certificate of number fee of $90 plus $10 for each boat instead of the fee otherwise provided in this section.

(5) For each original or renewal certificate fee collected under subsection (1)(a) of this section, the State Marine Board shall deposit $5 of the amount collected into the Aquatic Invasive Species Prevention Fund established under ORS 830.585.

SECTION 4. ORS 830.140 is amended to read:

830.140. (1) On or before the 10th day of each month, the State Marine Board shall pay into the State Treasury, except as provided in ORS 830.948, all moneys received by the board during the preceding calendar month. The State Treasurer shall credit the moneys to the Boating Safety, Law Enforcement and Facility Account, which account hereby is created, separate and distinct from the General Fund. The moneys in the account hereby are continuously appropriated to the board for the purpose of paying the expense of administering and enforcing the provisions of this chapter. The board shall keep a record of all moneys received and expended.

(2) After paying the necessary expenses incurred by the board in administering this chapter, the funds available in the account shall be distributed, in the amounts required, for the purpose of enforcing the provisions of this chapter and the regulations adopted pursuant thereto. The board shall determine the amount required for enforcement in each county, considering the survey conducted under ORS 830.115. The funds available shall be apportioned according to the amounts required and distributed, for enforcement in each county where there is a need, under a contract entered into with a city, with the Department of State Police or with the sheriff of the county. A contract with a city or a sheriff shall be entered into only with the approval of the governing body of the city or county. The board shall determine the intervals at which the moneys shall be distributed.

(3) The governing body of any county having within its boundaries a city providing recreational boating facilities including launching ramps, may contract with the city for the purpose of enforcing the provisions of this chapter and the rules and regulations made pursuant thereto.

(4) If the city enters into a contract with the board or with a county, the county is relieved of its enforcement responsibilities within the city as agreed to by the county and the city or by the board and the city.

(5) After the deduction of expenses related to collection, transfer and administration, the board shall pay moneys from any registration fees established under section 2 of this 2021 Act to the appropriate county. The board shall make the payments on at least a monthly basis unless another basis is established by the intergovernmental agreement required by section 2 of this 2021 Act between the board and the governing body of a county.
