

# Senate Bill 293

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Senate Interim Committee on Government Accountability and Information Technology)

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Directs office of State Chief Information Officer to develop recommendations related to elevating consideration of privacy, confidentiality and data security measures in state government enterprise and shared information technology services, and to submit recommendations in report to certain interim committees of Legislative Assembly by September 15, 2022.

Sunsets January 2, 2023.

Takes effect on 91st day following adjournment sine die.

## A BILL FOR AN ACT

1  
2 Relating to information technology; and prescribing an effective date.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1. (1) The office of the State Chief Information Officer shall prepare recom-**  
5 **mendations for elevating consideration of privacy, confidentiality and data security measures**  
6 **in the design, delivery and management of enterprise and shared information technology**  
7 **services for state government. In preparing the recommendations, the office shall consider**  
8 **and address, at a minimum:**

9 (a) **The merits of either establishing and appointing a dedicated state privacy officer**  
10 **within the office of the State Chief Information Officer to manage and oversee information**  
11 **protection and privacy guidance for state government, or continuing to delegate such duties**  
12 **to the Chief Data Officer or another officer within the office's current management team;**

13 (b) **The merits of developing and embedding a robust privacy assessment tool within ex-**  
14 **isting evaluative frameworks for state government information technology projects and in-**  
15 **vestments; and**

16 (c) **The merits of outreach, education and engagement with those whose information is**  
17 **collected, stored, compiled, utilized, commodified or otherwise used as part of a state agency**  
18 **information technology project or investment.**

19 (2) **The office shall provide the recommendations required by subsection (1) of this sec-**  
20 **tion in a report, in the manner provided by ORS 192.245, to the interim committees of the**  
21 **Legislative Assembly related to government accountability and information technology no**  
22 **later than September 15, 2022.**

23 **SECTION 2. Section 1 of this 2021 Act is repealed on January 2, 2023.**

24 **SECTION 3. This 2021 Act takes effect on the 91st day after the date on which the 2021**  
25 **regular session of the Eighty-first Legislative Assembly adjourns sine die.**
